The Dweller On The Threshold:

The Dweller on the Threshold Robert Smythe Hichens,1919 **The Web of Destiny** Max Heindel,1920 **Applied Magic** Dion Fortune,2000-08-13 Applied Magic is a selection of Dion Fortune s writings on the practical applications of magical and esoteric techniques Everyone has the ability to access the invisible planes of existence a whole kingdom of mind and spirit which cannot be perceived with the physical senses Fortune provides invaluable guidance to anyone intent on increasing their inner awareness She declares Esoteric tradition admits of no exclusiveness it is the very essence of its spirit that it blasphemes no God that has been hallowed by our devotion It sees all religions as the expressions of our spirit rather than the personal revelation of a jealous God to His chosen people It suffers from neither superstitious awe nor bigoted fear

The Dweller on the Threshold Robert Hichens,1895 Walking with the Master Elizabeth Clare Prophet,2002 Two thousand years ago Jesus called a small band of disciples to leave their nets and follow him He gave them a teaching and a path of initiation only fragments of which are found in the New Testament This path is as real and vital today as it was in Jesus time And now at the turning of an age the ascended master Jesus calls those who would be his disciples to take up that path to walk and work with him again Twenty eight steps on that path are presented here with commentary and explanation by Elizabeth Clare Prophet and the staff of Summit University The goal is to find and externalize the Christ within The means is a practical path of initiation for the modern world **Paths of Light and Darkness** Mark Prophet,Elizabeth Clare Prophet,2008-06 This cornerstone of metaphysical literature explores a cornucopia of topics important to every spiritual seeker

The Enemy Within Elizabeth Clare Prophet,Mark L. Prophet,2004 In The Enemy Within Mark L Prophet and Elizabeth Clare Prophet bring a clear understanding and spiritual tools to help us deal with that enemy within They reveal what we can fully become when we have overcome the not self The Dweller on the Threshold HardPress,Hichens Robert Smythe 1864-1950,2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *The Dweller on the Threshold* Robert Hichens,2019-12-11 In The Dweller on the Threshold Robert Hichens explores the intricate intersection of morality and mysticism set against the backdrop of early 20th century society The narrative unfolds through richly detailed prose that captures the psychological turbulence of its characters particularly the protagonist a man battling between the seductive allure of spiritual enlightenment and the shadows of his own darker instincts Hichens masterfully employs symbolism and metaphysical themes to draw readers into a complex exploration of selfhood prompting reflections on the nature of existence and the unseen forces that govern human experiences Robert Hichens a prominent figure in the literary world during his time was known for his adept portrayal of

psychological tension and his fascination with spiritualism influenced by the era's cultural preoccupations with the occult and human psychology. His diverse background, which included experiences in travel writing and dramatic literature, enriched his storytelling, allowing him to craft a narrative that is both compelling and thought-provoking, juxtaposing the spiritual with the corporeal. *The Dweller on the Threshold* invites readers to embark on a profound journey into the human psyche, making it an essential read for those interested in psychological drama and metaphysical inquiry. Hichens' exceptional ability to intertwine narrative and philosophical depth ensures this novel is not just a story but a captivating examination of the eternal struggle within us all.
