The Dynasty Brian Hunter, 2024-10-08 FOR ADULTS AND TEENS OF ALL AGES AND BELIEFS

The Dynasty is Book 37 of the epic book series Living A Meaningful Life The storylines of The Dynasty are interrelated with those in Books 1-36 of the series so a reader might consider reading the prior books first although The Dynasty can be enjoyed on its own The Dynasty is the next step in the journey of Living A Meaningful Life The Dynasty reveals a financial truth and it gives birth to a new era There are many touching family moments in this one Living A Meaningful Life is one of the largest family saga series ever written and most certainly the largest written in recent history The series is expected to eventually reach 100 installments Thus the storyline arc of the series is huge and it includes several generations A reader cannot expect to read the first couple of books and understand what the series is about The Living A Meaningful Life series is for readers who want to become fully immersed in a life changing adventure with this family Not far into the series you will feel as if you are a part of this family and that bond will only grow Each installment builds upon the previous installments and the later installments frequently refer back to things that were within the earlier installments There are even some riddles down the line with hints contained within the earlier installments Therefore the reader is urged to pay close attention to the earlier installments even if they seem somewhat juvenile at first Because yes the earlier installments feature the main characters as children However as those characters age the storylines become much more sophisticated and complex The basic initial storyline premise focuses on a lonely boy who spends most of his childhood sitting alone on a park bench However after performing a few random acts of kindness his life begins to head in a direction that he could have never imagined in his wildest dreams That unlikely lonely boy would end up building a giant family dynasty that changes the lives of everyone in his entire community and beyond He shows us that even the most common and disadvantaged among us can take certain actions in life that result in dramatic life changing results Some of the major themes within the series include mentoring family father son romance coming of age grieving losses developing a non blood related family overcoming mistakes integrity community service respect health wealth and great success Humor is present throughout with the banter between characters being priceless The series remains neutral in regard to politics and religion This is a series for teens and adults of all different beliefs Teens will especially appreciate the first few installments while the

interest for adults will only escalate and build as the series progresses Although this series will likely be the most immersive and powerful experience a reader might have the series is not just for idle entertainment This is a series that will become a part of your life and change how you see life Begin your journey today with Book 1 The Bench and become a permanent part of this family Welcome
