Board of World's Fair Managers, 1893     Holy Fire Fell Dirk R. Ellis, 2017-01-18 Why do we worship as we do What are the forgotten practices once central to many early Nazarene congregations Because historical events and other factors have shaped and molded the various worship patterns found in local congregations the way in which contemporary Nazarenes worship is no accident Like other descendants of the American holiness movement Nazarene worship is influenced by events predating our denominational forebears This text explores the history behind current worship trends for a crucial reason the very act of worship shapes and forms worshipers Beliefs and attitudes are forged not merely by what is heard from the pulpit but also by what is done bodily in the pew Ellis examines the liturgical concerns and practice of John Wesley as well as those of early Nazarene pioneers in an attempt to address these issues In so doing the book provides a historical resource for denominational leaders pastors and congregations At the same time it aims to help congregations both to appreciate our rich ecclesial history and to critically evaluate current worship practices in order that they may truly be transformational

**Small Church, Excellent Ministry** Jeffrey C. Farmer, 2017-12-21 Pastors of smaller membership churches have a huge calling They are responsible for changing the world Rather than look at the small number of members in their congregations as a limitation pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God Small Church Excellent Ministry is a handbook designed for pastors serving in smaller membership churches This book will help you to conduct your ministry with excellence Written by practitioners and professors the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches
