The White Lotus:

The White Lotus Teachings in Chinese Religious History Barend ter Haar,2021-09-13 This book provides a new hypothesis for understanding the real nature of the term White Lotus Teachings The author argues that there are actually two different phenomena covered by similar terms from c 1130 until 1400 a real lay Buddhist movement existed which can be called the White Lotus movement It enjoyed the respect of contemporary literati and religious elites The movement used the autonym White Lotus Society which came to be prohibited in the early Ming and was discarded as a result After 1525 the name reappeared in the form White Lotus Teachings but now only as a derogatory label used by officials and literati rather than by believers themselves As a result of this hypothesis the history of the White Lotus Teachings changes from one of religious groups and magicians into one of elite ideology and religious persecution The book is therefore important both for historians and anthropologists of Chinese religion and society and for comparative historians interested in the ideological and social construction of heterodoxy

White Lotus Libbie Hawker,2016-12-26 In the fifth century BCE Egypt is the greatest civilization known to mankind But with a foolish king on its throne the Nile Valley is ripe for conquering Amid this climate of danger and strife in the alleys and brothels of Memphis an extraordinary young woman comes of age To spare her siblings from starvation Doricha is sold into prostitution But she has gifts beyond mere beauty Through wit and determination she works her way into the realm of the hetaerae courtesans of exceptional refinement As a hetaera Doricha has access to the schemes and negotiations that shape the world But the rich and powerful also have access to her and Doricha soon finds herself in the Pharaoh's harem caught up in his reckless plans When the Pharaoh sends her off to his fiercest enemy thinly cloaked by a dangerous ruse Doricha must become a double agent if she hopes to survive Caught between the Pharaoh and the Persian king Cambyses it is Doricha once a slave now a woman of great but secret power who will determine Egypt's fate Blending ancient fable with true history White Lotus brings Egypt's downfall to life

Modern Chinese Warfare, 1795-1989 Bruce A. Elleman, 2005-07-28 Why did the Chinese empire collapse and why did it take so long for a new government to reunite China Modern Chinese Warfare 1795 1989 seeks to answer these questions by exploring the most important domestic and international conflicts over the past two hundred years from the last half of the Qing empire through to modern day China It reveals how most of China s wars during this period were fought to preserve unity in China and
