Rules of Engagement: The Will to Live vs. the Will to Survive Lorenzo D. Leonard,2019-01-29 Tribalism isn t new to the human experience In fact it s been around as long as humankind However lately the will to survive has grown with intensity and has given rise to a distorted sense of self importance and self indulgence Self interest has come to divide people and destroy a vital sense of community and civility that bonds a society Author Lorenzo D Leonard has studied this phenomenon and introduces an alternative way of life the will to live The education development and practice of commendable character exposes a person s innate qualities of good Leonard proclaims how the attainment of personal credibility and relevance becomes less of an external focus and more of an internal fulfillment through the process of character development However this is only the case when an individual can put aside the will to survive and embrace the will to live Tribalism becomes less of a concern when the qualities of transparency accountability integrity and community are adopted The Rules of Engagement The Will to Live vs The Will to Survive is a deep dive into the very ideas that transition people into being more humane with one another Within this literary body of work readers will recognize the signs of a life lived authentically as well as the limitations that come with a distorted sense of power and superiority

Losing the Will to Live, Why? Arnie Burzynski,2013-10-30 The main objective in this book is to help others in the world to cope with some or as much death as I have endured in my lifetime so far My grieving seems to last forever Maybe it will last a lifetime I don t know This book is about losses in life It is about suffering major depression anger forgiveness resentments misery loneliness agony and suicidal thoughts but most of all fighting the devil himself This book will not be friendly to the human mind but it is reality and filled with the feelings and pain I have endured It is about suffering with a drinking problem and what I have done this past year to get on track and pick up the broken pieces and put my life back together again
