Brown,2009-12-15 The Wind of change There is a Prophetic Wind blowing in this hour all over the world God is restoring the Body of Christ to Her original design through the Wind of Change Many people associate change as something difficult uncomfortable and negative I will assure you that this is a good change This book will provide you with the tools necessary to confront the lines of demarcation and defeat those giants that stand between you and your destiny God is stirring the very core of your being This is an inner awakening This change will cause you to trust God and step out of the boundaries of familiar places within yourself A Clarion Call is ringing in the Spirit of those who are called as a Remnant unto God This call will only hit the ears of those who can hear the sound of the Wind in the Spirit Can you hear the sound I beckon you to come and journey in the Wings of the Wind for Change has come and a Revolution has just begun      The Wind of Change Eudora Aletta,2015-07-31 She was killing herself slowly and this obsession with the war had to stop How can one man cope when his true love is a woman of great destiny The people are her purpose and she is my purpose The Wind of Change follows the intersecting fates of Francois and Zola as they struggle with the injustices of life and inconsistencies of love in a world where children are dying Within the Frenchman's narrative and declarations of love lies the tragic tale of the children of war torn Africa and the personal cost of civil war and armed conflict of torture murder resistance and forgiveness Set in the days of Nelson Mandela's release from incarceration it brings to life the Pan African ideals of the 60s through the journey of a young woman who would be queen to unite and bring peace to all of Africa If you imagine a future can you make it real Can you make a difference If you give from your heart can you make the wind change Watch out for Volume 2 of The Wind of Change What Happened in Africa
