nature school student to wildlife tracker to a cattle woman on a mission to save the food system through regenerative agricultural practices that restore the soil and other non human elements of the planet From one of the few female voices in both wilderness immersion and ranching Dawn Again is a nature memoir that shares Doniga s experience hitchhiking across the pacific northwest waiting patiently to connect with a deer on its terms and tracking in Alaska where she finally came face to face with white wolves and the rigor of wilderness survival When Doniga tracks mountain lions with Erik a rancher she finds herself falling in love with more than just nature She settles down on a cattle ranch on the California coast to start a family and has to learn how to apply the deep lessons of the wild to her everyday life Advocating for nature knowledge and ecological wisdom Dawn Again dives into Doniga s real life experiences as a woman environmentalist wilderness expert woman rancher mother and producer in the food system

Rustad,2022-01-11 A layered inquisition and a reportorial force a technicolor mystery In prose that moves like a clear river Rustad has done what the best storytellers do tried to track the story to its last twig and then stepped aside New York Times Book Review In the vein of Jon Krakauer s Into the Wild a riveting work of narrative nonfiction centering on the unsolved disappearance of an American backpacker in India one of at least two dozen tourists who have met a similar fate in the

remote and storied Parvati Valley For centuries India has enthralled westerners looking for an exotic getaway a brief immersion in yoga and meditation or in rare cases a true pilgrimage to find spiritual revelation Justin Alexander Shetler an inveterate traveler trained in wilderness survival was one such seeker In his early thirties Justin Alexander Shetler quit his job at a tech startup and set out on a global journey across the United States by motorcycle then down to South America and on to the Philippines Thailand and Nepal in search of authentic experiences and meaningful encounters while also documenting his travels on Instagram His enigmatic character and magnetic personality gained him a devoted following who lived vicariously through his adventures But the ever restless explorer was driven to pursue ever greater challenges and greater risks in what had become a personal quest his own hero s journey In 2016 he made his way to the Parvati Valley a remote and rugged corner of the Indian Himalayas steeped in mystical tradition yet shrouded in darkness and danger There he spent weeks studying under the guidance of a sadhu an Indian holy man living and meditating in a cave At the end of August accompanied by the sadhu he set off on a spiritual journey to a holy lake a journey from which he would never return Lost in the Valley of Death is about one man s search to find himself in a country where for many westerners the path to spiritual enlightenment can prove fraught even treacherous But it is also a story about all of us and the ways sometimes extreme we seek fulfillment in life Lost in the Valley of Death includes 16 pages of color photographs
