C. Bristow-Noble,2012-12-21 This rare book was one of the few early 20th century dog books to deal solely with the true Working Terrier Now very scarce and much sought after in its original limited edition we have reprinted it in a high quality hard back format Written by an expert in both breeding and working terriers the book is packed with practical advice and includes many original photographs of terriers in action against a variety of quarry J C Bristow Noble was well known in his time as a breeder of top quality sporting Terriers He spent many years experimenting

with cross breeding Fox Terriers and Sealyhams with other dog breeds and occasionally with famous mongrel Terriers before finally concentrating on Jack Russell Terriers always keeping the description of Russell's famous Trump in his mind's eye. His ideal sporting terrier for entering to badger, fox and other quarry was a thick set 14 pound hard dense coated dog with a muzzle of moderate length and an even and fairly thick jaw bone. This rule of thumb eventually led to him owning a kennel of working dogs second to none and well known throughout the country. His Terriers were regularly sold for sums in excess of 50 00 an enormous sum of money in the early 1900s. His stud dogs were also much in demand even at his minimum stud fee of 10 guineas. Contents include The Correct Type of Working Terrier, Ratting Badger, Hunting On the Use of Terriers Against Otter, Fox, Stoat, Rabbit, On the Use of Terriers Against Moles, On the Care, Choice and Correct Use of Ferrets, Some Diseases and Their Treatment.

Hunt And Working Terriers Jocelyn Lucas, 2013-04-18 Originally published in 1931. Probably the best book ever published on this subject. The author was a well known hunting man and breeder of Sealyham terriers. The well illustrated contents include Historical References, Using Terriers with Foxhounds, Attributes of a Good Working Terrier, Opinions and Yarns, Hunt Terriers in the USA, In India, Hunting in China, On Earth Stopping and Artificial Earths, Question of Pedigree, Question of Coats, Breeders Opinions, Otterhound Packs, A Day with Border Terriers and Otterhounds, Otter Hunting with Terriers, The Rev Jack Russell and his Terriers, The Old English Black and Tan Terrier, The Border Terrier, The Fox Terrier, Lakeland Fell or Patterdale Terrier, Norwich or Trumpington Terriers, Scottish Terriers as Workers, The Sealyham Terrier, Training Terriers for Underground Work, Fox and Badger Digging, How to Dig and Take Foxes and Badgers, How to Work Bassetts, Badger Digging, Rats, Stoats, Hares and Rabbits, Boar Hunting with Terriers, Big Game Hunting with Terriers, Breeders Clubs etc. Many of the earliest dog and hunting books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Home Farm Books are republishing many of these classic works in affordable high quality modern editions using the original text and artwork.

Working Terriers, Badgers and Badger Digging (History of Hunting Series) H. H. King, 2011-03-23 This title was first published in 1931 and is now an extremely rare and sought after item in its first edition. It is now available again to all true terrier men in a revised edition published by Read Country Books. This new edition incorporates the original format plus 20 extra pages containing articles and vintage photos on the same subject. Its 130 pages of historical content contain much detailed information on the working terrier and its use in what was once an acceptable and legal field sport. The first section of the book is devoted to the Working Terrier. The author discusses the qualities and physical attributes that constitute a first class worker. He writes sensibly and with a confidence born from years of practical experience. This section then leads into a chapter of advice on the early training of terriers with much emphasis on the natural progression of their learning curve. This training period also entails the hunting of and entering to the rat, fox and otter. A short chapter deals with the natural history and habits of the badger, then continues at some length with the methods and equipment used in the actual dig. The author points out that the terms badger digging

and badger baiting should not be considered synonymous In his opinion If properly conducted badger digging is no more cruel a sport than shooting or ratting The final chapter is a comprehensive discourse on the care and handling of the Working Terrier Following that are two rare articles never before reprinted HUNTING BROCK THE BADGER by J C Bristow Noble author of Working Terriers and THE BADGERS OF BADGWORTHY They both contain much interesting information and many original vintage photographs The book is a fascinating look back at a vanished time and an excellent manual on the working terrier with much information that is still of practical use today The Year of the Working Terrier Seán Frain,2007 The Working Bedlington John Glover,1999-03 **The Working terrier year book** ,1978 With hound and terrier in the field, ed. by F.
