

The World Of William Faulkner

Charles Irving Glicksburg

The World Of William Faulkner:

The World of William Faulkner Ward L. Miner, 1963 **The World of William Faulkner** W. Miner, 2025-10-23 In *The World of William Faulkner* Ward L. Miner offers a compact yet insightful study of Faulkner's literary universe how the writer's Mississippi roots psychological intensity and narrative daring fused into a single haunting voice Originally published in 1952 with later editions in 1963 Miner explores how place memory and moral conflict recur in Faulkner's fiction from the dusty backroads of Yoknapatawpha County to the swirling shadows of inner consciousness Miner situates Faulkner's work in its regional and historical context examining how race tradition and change inform his characters tragedies and resilience He pays special attention to recurring motifs time family guilt and the South's troubled legacy revealing how Faulkner's imagination draws from both the land and the inherited dramas of a fractured society With clarity and respect Miner argues that to understand Faulkner is to enter a world where language itself becomes a terrain of remembrance and moral reckoning Though just 170 pages in many editions Miner packs dense insight into each chapter making this guide a superb companion to reading *The Sound and the Fury* *As I Lay Dying* *Light in August* and beyond For students and readers drawn into Faulkner's shadows *The World of William Faulkner* remains a dependable map through a difficult and luminous literary terrain

The World of William Faulkner Ward Lester Miner, 1953 Myself and the World Robert W. Hamblin, 2016-06-02 *William Faulkner 1897-1962* once said of his novels and stories I am telling the same story over and over which is myself and the world This biography provides an overview of the life and career of the famous author demonstrating the interrelationships of that life centered in Oxford Mississippi with the characters and events of his fictional world The book begins with a chapter on Faulkner's most famous ancestor W. C. Falkner the Old Colonel who greatly influenced both the content and the form of Faulkner's fiction Robert W. Hamblin then proceeds to examine the highlights of Faulkner's biography from his childhood to his youthful days as a fledgling poet through his time in New Orleans the creation of Yoknapatawpha the years of struggle and his season of prolific genius and through his time in Hollywood and his winning of the Nobel Prize The book concludes with a description of his last years as a revered author cultural ambassador and university writer in residence In his Nobel Prize acceptance speech Faulkner spoke of the agony and sweat of the human spirit that goes into artistic creation For Faulkner that struggle was especially acute Poor and neglected for much of his life suffering from chronic depression and alcoholism and unhappy in his personal life Faulkner overcame tremendous obstacles to achieve literary success One of the major themes of his novels and stories remains endurance and his biography exhibits that quality in abundance Faulkner the man endured and ultimately prevailed *William Faulkner* Hyatt H.

Waggoner, 2021-09-15 Combining explications of William Faulkner's novels and short stories with thematic analysis Hyatt H. Waggoner works from the close reading of a specific work outward to its most general meanings and relationships By this method he has made a significant contribution to the understanding of Faulkner's career and artistic achievement Waggoner

examines both better and lesser known works which yield valuable insights into Faulkner's development when treated in relation to his whole body of work. The author also addresses the major themes which emerge from critical analyses of individual works: Faulkner's uneasy relationship with his Christian background and his unchanging conception of the role of the artist related to his changing practice as a writer. Waggoner concludes that Faulkner's artistic career reflects a creatively productive but tortured and ambiguous relationship with his community.

The World of William Faulkner Clifton Fadiman, 1931 *World of William Faulkner* Ward Miner, 1986-06 *The World of William Faulkner* Charles Irving Glicksburg, 1949 **William Faulkner**, 1960 **William Faulkner** John T. Matthews, 2011-10-13

Considered by many to be the most influential US novelist the world has known William Faulkner's roots and his writing are planted in a single obscure county in the Deep South. A foremost international modernist Faulkner's subjects and characters ironically are more readily associated with the history and sociology of the most backward state in the Union. He experimented endlessly with narrative structure developing an unorthodox writing style. Yet his main goal was to reveal the truth of the human heart in conflict with itself ultimately defining human nature through the lens of his own Southern experience. This comprehensive account of Faulkner's literary career features an exploration of his novels and key short stories including *The Sound and the Fury*, *As I Lay Dying*, *Absalom Absalom* and many more. Drawing on psychoanalytic, post-structuralist, feminist and post-colonial theory it offers an imaginative topography of Faulkner's efforts to reckon with his Southern past, to acknowledge its modernization and to develop his own modernist method.

The World of William Faulkner Ward L. Miner, 1959 **The Private World of William Faulkner** Robert Coughlan, 1963 [Collected Stories of William Faulkner](#) William Faulkner, 1977

This magisterial collection of short works by Nobel Prize winning author William Faulkner reminds readers of his ability to compress his epic vision into narratives as hard and wounding as bullets. Among the 42 selections in this book are such classics as *A Bear Hunt*, *A Rose for Emily*, *Two Soldiers* and *The Brooch*.

Private world of William Faulkner Robert Coughlan, 1953 [Collected Stories of William Faulkner - Complete Edition](#) William Faulkner, Ghislaine Burlet, 2016-12-16

William Cuthbert Faulkner (September 25, 1897 – July 6, 1962) was an American writer and Nobel Prize laureate from Oxford, Mississippi. Faulkner wrote novels, short stories, a play, poetry, essays and screenplays. He is primarily known for his novels and short stories set in the fictional Yoknapatawpha County based on Lafayette County, Mississippi, where he spent most of his life. William Faulkner is one of the most celebrated writers in American literature generally and Southern literature specifically. Though his work was published as early as 1919 and largely during the 1920s and 1930s, Faulkner was relatively unknown until receiving the 1954 Nobel Prize in Literature for which he became the only Mississippi-born Nobel winner. Two of his works, *A Fable* (1954) and his last novel *The Reivers* (1962) won the Pulitzer Prize for Fiction. In 1998, the Modern Library ranked his 1929 novel *The Sound and the Fury* sixth on its list of the 100 best English language novels of the 20th century; also on the list were *As I Lay Dying* (1930) and *Light in August* (1932). *Absalom Absalom* (1936) is often included on similar lists. *Collected*

Stories of William Faulkner is a short story collection by William Faulkner published by Random House in 1950. It won the National Book Award for Fiction in 1951. The publication of this collection of 42 stories was authorized and supervised by Faulkner himself who came up with the themed section headings: Contents, The Country, Six stories, The Village, Ten stories, The Wilderness, Four stories, The Wasteland, Five stories, The Middle Ground, Eleven stories, Beyond, Six stories. Enriched by Biography, Bibliography, Banquet, Speech, Acceptance, Nobel Prize. Prize motivation for his powerful and artistically unique contribution to the modern American novel. **Sanctuary** William Faulkner, 1967. An assortment of perverse characters act out this dramatic story of the kidnapping of a Mississippi debutante. **The World of William Faulkner, by Ward L. Miner** Ward L. Miner, 1952.

The Private World of William Faulkner ... Illustrated Robert Coughlan, William Faulkner, 1954. The Sound and the Fury (Illustrated and Annotated) William Faulkner, 2018-03-13. William Faulkner was born in 1897 in New Albany, Mississippi, to a prominent Southern family. A number of his ancestors were involved in the Mexican American War, the Civil War, and the Reconstruction and were part of the local railroad industry and political scene. Faulkner showed signs of artistic talent from a young age but became bored with his classes and never finished high school. Faulkner grew up in the town of Oxford, Mississippi, and eventually returned there in his later years and purchased his famous estate, Rowan Oak. Oxford and the surrounding area were Faulkner's inspiration for the fictional Yoknapatawpha County, Mississippi, and its town of Jefferson. These locales became the setting for a number of his works. Faulkner's Yoknapatawpha novels include *The Sound and the Fury* (1929), *As I Lay Dying* (1930), *Light in August* (1932), *Absalom, Absalom!* (1936), *The Hamlet* (1940), and *Go Down, Moses* (1942), and they feature some of the same characters and locations. Faulkner was particularly interested in the decline of the Deep South after the Civil War. Many of his novels explore the deterioration of the Southern aristocracy after the destruction of its wealth and way of life during the Civil War and Reconstruction. Faulkner populates Yoknapatawpha County with the skeletons of old mansions and the ghosts of great men, patriarchs, and generals from the past whose aristocratic families fail to live up to their historical greatness. Beneath the shadow of past grandeur, these families attempt to cling to old Southern values, codes, and myths that are corrupted and out of place in the reality of the modern world. The families in Faulkner's novels are rife with failed sons, disgraced daughters, and smoldering resentments between whites and blacks in the aftermath of African American slavery. Faulkner's reputation as one of the greatest novelists of the twentieth century is largely due to his highly experimental style. Faulkner was a pioneer in literary modernism, dramatically diverging from the forms and structures traditionally used in novels before his time. Faulkner often employs stream of consciousness narrative, discards any notion of chronological order, uses multiple narrators, shifts between the present and past tense, and tends toward impossibly long and complex sentences. Not surprisingly, these stylistic innovations make some of Faulkner's novels incredibly challenging to the reader. However, these bold innovations paved the way for countless future writers to continue to experiment with the possibilities of the English language. For his efforts, Faulkner was awarded the Nobel Prize in

Literature in 1949 He died in Mississippi in 1962 First published in 1929 The Sound and the Fury is recognized as one of the most successfully innovative and experimental American novels of its time not to mention one of the most challenging to interpret The novel concerns the downfall of the Compsons who have been a prominent family in Jefferson Mississippi since before the Civil War Faulkner represents the human experience by portraying events and images subjectively through several different characters respective memories of childhood The novel s stream of consciousness style is frequently very opaque as events are often deliberately obscured and narrated out of order Despite its formidable complexity The Sound and the Fury is an overpowering and deeply moving novel It is generally regarded as Faulkner s most important and remarkable literary work Plot Overview Character List Analysis of Major Characters Themes Motifs Symbols *William Faulkner, the Yoknapatawpha World and Black Being* Erskine Peters, 1983 Peter brings modern critical tools to his task as well as a thorough knowledge of the canon of Faulkner criticism dealing with stock images in literature Among the topics discussed are the cultural legacy and the influence of light and dark imagery on him his early characterizations of black existence the historical context for black existence in the Yoknapatawpha world the racism in this world which is a scheme of larceny designed to strip the blacks of their soul the dilemmas of miscegenation and mulatto crises Diley Gibson s obsession with time the heroism of Lucas Beauchamp in *Intruder in the Dust* and Nancy Mannigoe in *Requiem for a Nun* highlighting the comic end of life and Faulkner s struggle with racial chaos and national destiny Also includes a glossary of black characters in Faulkner s novels ISBN 0 8482 5675 1 25 00
