

THE WRITING 69TH

JIM HAMILTON

The Writing 69th

KJ Lindholm-Leary

The Writing 69th:

The Writing 69th Jim Hamilton, 1999 The Writing 69th eight civilian and military journalists who covered the U S 8th Air Force during World War II included Walter Cronkite Andy Rooney and Homer Bigart Six of them participated in a bombing raid on German Naval installations at Wilhelmshaven in 1943 One of the journalists Bob Post of the New York Times did not return The author has gathered accounts from military and civilian participants to tell the story of the Writing 69th and the raid on Wilhelmshaven

Reporting War Ray Moseley, 2017-02-21 This excellent wonderfully researched chronicle of WWII journalism explores the lives and work of embedded reporters across every theater of war Chris Ogden former Time magazine bureau chief in London Luminary journalists Ed Murrow Martha Gellhorn Walter Cronkite and Clare Hollingworth were among the young reporters who chronicled World War II s daily horrors and triumphs for Western readers In Reporting War fellow foreign correspondent Ray Moseley mines their writings to create an exhilarating parallel narrative of the war effort in Europe Pearl Harbor North Africa and Japan This vivid history also explores the lives methods and motivations of the courageous journalists who doggedly followed the action and the story often while embedded in the Allied armies Moseley s sweeping yet intimate history draws on newly unearthed material to offer a comprehensive account of the war Reporting War sheds much needed light on an abundance of individual stories and overlooked experiences including those of women and African American journalists which capture the drama as it was lived by reporters on the front lines of history

The War Correspondents Keith Warren Lloyd, 2025-10-21 The War Correspondents unveils the extraordinary bravery and unmatched literary legacy of the journalists who risked their lives to cover WWII s European Theater Ernie Pyle John Steinbeck Walter Cronkite Edward R Murrow Ernest Hemingway Bill Mauldin Robert Capa Margaret Bourke White Andy Rooney Martha Gellhorn Richard Tregaskis the list of American correspondents who covered the fighting in Europe during the Second World War is a veritable Who s Who of American literary and journalistic greats of the twentieth century War correspondents not only rubbed shoulders with generals admirals prime ministers and presidents they also often witnessed the fighting first hand and up close placing themselves at great personal risk in order to get the story The War Correspondents recounts the most destructive conflict in human history from the civil war in Spain to the ultimate collapse of the Third Reich and tells the story of the legendary reporters who accompanied Allied soldiers sailors and airmen into battle

Inferno Joe Pappalardo, 2020-12-01 Joe Pappalardo s Inferno tells the true story of the men who flew the deadliest missions of World War II and an unlikely hero who received the Medal of Honor in the midst of the bloodiest military campaign in aviation history There s no higher accolade in the U S military than the Medal of Honor and 472 people received it for their action during World War II But only one was demoted right after Maynard Harrison Smith Smith is one of the most unlikely heroes of the war where he served in B 17s during the early days of the bombing of France and Germany from England From his juvenile delinquent past in Michigan through the war and during the decades after Smith s life seemed to be a series of very public

missteps The other airmen took to calling the 5 foot 5 inch airman Snuffy after an unappealing movie character This is also the man who on a tragically mishandled mission over France on May 1 1943 single handedly saved the crewmen in his stricken B 17 With every other gunner injured or bailed out Smith stood alone in the fuselage of a shattered nameless bomber and fought fires treated wounded crew and fought off fighters His ordeal is part of a forgotten mission that aircrews came to call the May Day Massacre The skies over Europe in 1943 were a charnel house for U S pilots who were being led by tacticians surprised by the brutal effectiveness of German defenses By May 1943 the combat losses among bomb crews were a staggering 40 to 50 percent The backdrop of Smith s story intersects with some of the luminaries of aviation history including Curtis Lemay Ira Eaker and Hap Arnold during critical times of their storied careers *Inferno* also examines Smith s life in a new comprehensive light through the use of exclusive interviews of those who knew him including fellow MOH recipients and family as well as public and archival records This is both a thrilling and horrifying story of the air war over Europe during WWII and a fascinating look at one of America s forgotten heroes

Masters of the Air MTI Donald L. Miller, 2024-01-23 A history recounting the events and experiences of the World War II bomber pilots of the U S Eighth Air Force the armed forces group that conducted daytime bombing of Germany in advance of the Allied soldiers arrival on the ground

Assignment to Hell Timothy M. Gay, 2013-05-07 A book every modern journalist and citizen should read Tom Brokaw Author of *The Greatest Generation* In February 1943 a group of journalists including a young wire service correspondent named Walter Cronkite and cub reporter Andy Rooney clamored to fly along on a bombing raid over Nazi Germany Seven of the sixty four bombers that attacked a U boat base that day never made it back to England A fellow survivor Homer Bigart of the *New York Herald Tribune* asked Cronkite if he d thought through a lede I think I m going to say mused Cronkite that I ve just returned from an assignment to hell *Assignment to Hell* tells the powerful and poignant story of the war against Hitler through the eyes of five intrepid reporters Cronkite crashed into Holland on a glider with U S paratroopers Rooney dodged mortar shells as he raced across the Rhine at Remagen Behind enemy lines in Sicily Bigart jumped into an amphibious commando raid that nearly ended in disaster The *New Yorker* s A J Liebling ducked sniper fire as Allied troops liberated his beloved Paris The *Associated Press* s Hal Boyle barely escaped SS storm troopers as he uncovered the massacre of U S soldiers during the Battle of the Bulge This book serves as a stirring tribute to five of World War II s greatest correspondents and to the brave men and women who fought on the front lines against fascism their generation s assignment to hell
