## **The Yellow Bird:**

**The Path of the Devil** Gary F. Jensen, 2007 The Path of the Devil is organized around three fundamental theories witch hunts as functional sacrificial ceremonies realistic conflict and strategic persecution and scapegoat phenomena All conjectures point to the role of epidemic disease war and climactic and economic hardships as considerable factors However such crises have to be differentiated when war is measured as a quantitative characteristic it is found to inhibit witch hunts while epidemic disease and economic hardship encourages them The book integrates the sociologies of collective behavior contentious conflict and deviance with cross disciplinary theory and research The final chapters examine the Salem witch trials as a perfect storm and illustrate the general patterns found for early modern witch hunts and modern witch hunts which exhibit similarities that are found to be more than metaphorical

**The Pentagon Wars** James G Burton, 2014-02-15 From the late 1960s through the mid 1980s a small band of military activists waged war against corruption in the Pentagon challenging a system they believed squandered the public s money and trust The book examines the movement and its proponents and describes how the system responded to the criticisms and efforts to change accepted practices and entrenched ways of thinking The author an air force colonel and part of the movement worked in the pentagon for fourteen years He presents a view of the Department of Defense that only an insider could offer He exposes serious flaws in the military policy making process particularly in weapons development and procurement The details he gives on the unrelenting push for high tech weapons despite their ineffectiveness and extraordinary cost overruns provide a strong case for the charge of ethical bankruptcy The second half of the book deals with the author s attempts to get frontline equipment tested under combat conditions For the first time readers learn the nasty details of his battle with the army over line fire testing of the Bradley Fighting Vehicle a battle that he eventually won leading to the personnel carrier s redesign and the saving of many lives Never reluctant to name names and reveal details James G Burton presents a forceful case And his revelations offer insights not found elsewhere into the motivations and actions of the people who wield power from within Nor does he stop at the walls of the Pentagon In his epilogue he tells what happened in the field during the final hours of the Gulf War that allowed Hussein s elite Republican Guard to escape Now back in print after having inspired a feature HBO film this explosive account of insider corruption is sure to serve policy makers for generations to come

**The Yellow Bird** Līlā Majumadāra, 2010 A timeless adventure story that will keep generations of readers in thrall Journey into a land of fantasy and adventure with a master storyteller Bogey and his sister rumu are agonizing over the disappearance of a beloved pet when they find solace and understanding from an unexpected quarter their wise servant Jhogru From the yellow bird whose feather has turned their dog into a little boy to the existence of the mythical winged horse to the guna moni tree that only flowers when planted on an ash heap Jhogru s zany tales draw the children into an enchanting world of magic where fact and fiction merge Lila Majumdar s sensitivity and imagination along with dashes of wit and humour have long made this award
