classic work today These selected paragraphs distill the contents and give you a quick look inside The Young Marooners on the Florida Coast Look inside the book After having been positively declined in New York it was for months left in Philadelphia where one night as the gentleman whose duty it was to pass judgment upon the material offered had begun in a listless way his task he became so much absorbed in the story that he did not lay it down until long after midnight and hastening to the publishers early next morning insisted that it should be immediately put into print Well Tom said the captain to the sailor who seemed to be in doubt after Frank s defence whether to appear pleased or angry I think you will have to forgive the offence this time especially as the sharks took it in hand so soon to revenge the insult and ran away with the little fellow s handkerchief Robert and Harold, Or, the Young Marooners on the Florida Coast Francis Robert
