**Too Funny for Words** David Kalat, 2019-04-26 American silent film comedies were dominated by sight gags stunts and comic violence With the advent of sound comedies in the 1930s were a riot of runaway heiresses and fast talking screwballs It was more than a technological pivot the first feature length sound film *The Jazz Singer* 1927 changed Hollywood Lost in the discussion of that transition is the overlap between the two genres Charlie Chaplin Buster Keaton and Harold Lloyd kept slapstick alive well into the sound era Screwball directors like Leo McCarey Frank Capra and Ernst Lubitsch got their starts in silent comedy From Chaplin's tramp to the witty repartee of *His Girl Friday* 1940 this book chronicles the rise of silent comedy and its evolution into screwball two flavors of the same genre through the works of Mack Sennett Roscoe Arbuckle Harry Langdon and others [Hollywood Madonna](#) Bernard F. Dick, 2025-05-15 Loretta Young 1913-2000 was an Academy Award winning actress known for devout Catholicism and her performances in *The Farmer's Daughter* *The Bishop's Wife* and *Come to the Stable* and for her long running and tremendously popular television series But that was not the whole story *Hollywood Madonna* explores the full saga of Loretta Young's professional and personal life She made her film debut at age four became a star at fifteen and many awards and accolades later made her final television movie at age seventy six This biography withholds none of the details of her affair with Clark Gable and the daughter that powerful love produced Bernard F. Dick places Young's affair in the proper context of the time and the choices available to women in 1935 especially a noted Catholic like Young whose career would have been in ruins if the public knew of her tryst With the birth of a daughter who would have been branded a love child Loretta Young reached the crossroads of disclosure and deception choosing the latter path That choice resulted in an illustrious career for her and a tortured childhood for her daughter [Hollywood Screwball Comedy 1934-1945](#) Grégoire Halbout, 2022-01-13 A 2022 CHOICE Outstanding Academic Title *Love at first sight whirlwind marriages break ups divorces remarriage* What accounts for the enduring success of the Hollywood madcap comedies of the

1930s Directed by masters of comedy Hawks LaCava Leisen Ruggles and featuring the decade s most iconic stars Colbert Dunne Grant Hepburn these films set romantic comedy standards for decades to come Screwball comedy embarked on two challenging missions to poke fun at established social norms and to undermine stereotypical depictions of gender roles putting forward a discourse that postulated the possibility of equality between men and women Gr goire Halbout s reexamination of screwball comedy provides a comprehensive overview of this sub genre eschewing the auteurist approach and including minor works never before analyzed through the screwball lens His book explains how these screwball stories met the expectations of a booming American middle class eager for the liberalization of morals with daring plots verbal humor and slapstick techniques Building on the work of Cavell Altman and Gehring as well as international and French scholarship Halbout s investigation unfolds in three parts He first establishes a definition of Hollywood screwball comedy through a cross sectional analysis of its socio historical context and an in depth examination of the genre He then situates screwball comedy in relation to its institutional context An exclusive study of archival material explains the emergence of a screwball aesthetic meant to subvert the prohibitions of the 1934 Hollywood Production Code through a verbal and visual rhetoric of diversion and mitigation Finally Halbout explores the social function of the genre s placement of romantic intimacy at the center of the public sphere and the democratic debate confirming that screwball eccentricity upholds America s founding values freedom of speech free consent and contractual engagement
