Dreiser began work on his first novel *Sister Carrie* published in 1900. Its controversial themes perhaps explain why at the time it sold poorly. Since then over the ensuing decades it has become highly regarded and been called the greatest of all American urban novels. Dreiser's first commercial success was *An American Tragedy* published in 1925. Its gestation had started way back in 1892 when Dreiser first began work as a newspaperman; he had begun to observe a certain type of crime in the United States that proved very common. It seemed to spring from the fact that almost every young person was possessed of an ingrown ambition to be somebody financially and socially. Fortune hunting became a disease. Over the years Dreiser had become more politically and socially active. Certainly in matters of religion he had now become an atheist. He often engaged in fighting against censorship especially as his books did not reflect the current social mores. Dreiser was a committed socialist and wrote several nonfiction books on political issues. These included *Dreiser Looks at Russia* 1928 the result of his 1927 trip to the Soviet Union. After the Second World War Dreiser joined the Communist Party USA in August 1945. Although less politically radical friends such as H. L. The Hand of the Potter : a Tragedy in Four Acts(1918). By: Theodore Dreiser

Theodore Dreiser, 2017-08-27 Theodore Herman Albert Dreiser August 27, 1871–December 28, 1945 was an American novelist and journalist of the naturalist school. His novels often featured main characters who succeeded at their objectives despite a lack of a firm moral code and literary situations that more closely resemble studies of nature than tales of choice and agency. Dreiser's best known novels include *Sister Carrie* (1900) and *An American Tragedy* (1925). In 1930 he was nominated to the Nobel Prize in Literature.

Early life Dreiser was born in Terre Haute, Indiana, to Sarah Maria nee Schanab and John Paul Dreiser. John Dreiser was a German immigrant from Mayen in the Eifel region, and Sarah was from the Mennonite farming community near Dayton, Ohio. Her family disowned her for converting to Roman Catholicism in order to marry John Dreiser. Theodore was the twelfth of thirteen children, the ninth of the ten surviving. Paul Dresser (1857–1906) was one of his older brothers. Paul changed the spelling of his name as he became a popular songwriter. They were reared as Catholics. After graduating from high school in Warsaw, Indiana, Dreiser attended Indiana University in the years 1889–1890 before dropping out.

Writing career Within several years Dreiser was writing as a journalist for the *Chicago Globe* newspaper and then the *St. Louis Globe Democrat*. He wrote several articles on writers such as Nathaniel Hawthorne, William Dean Howells, Israel Zangwill, John Burroughs, and interviewed public figures such as Andrew Carnegie, Marshall Field, Thomas Edison, and Theodore Thomas. Other interviewees included Lillian Nordica, Emilia E. Barr, Philip Armour, and Alfred Stieglitz. During 1899 the Dreisers stayed with Arthur Henry and his wife Maude Wood Henry at the House of Four Pillars, an 1830s Greek Revival house in the Toledo, Ohio suburb of Maumee. There Dreiser began work on his first novel, *Sister Carrie*, published in 1900. Unknown to Maude Henry, he sold a half interest in the house to Dreiser to finance a move to New York without her. In *Sister Carrie*, Dreiser portrayed a changing society, writing about a young woman who flees rural life for the city, Chicago, and struggles with poverty, complex relationships with men, and prostitution. It sold poorly and

was considered controversial because of moral objections to his featuring a country girl who pursues her dreams of fame and fortune through relationships with men The book has since acquired a considerable reputation It has been called the greatest of all American urban novels It was adapted as a 1952 film by the same name directed by William Wyler and starring Laurence Olivier and Jennifer Jones In response to witnessing a lynching in 1893 Dreiser wrote the short story Nigger Jeff 1901 which was published in Ainslee s Magazine This period is considered the nadir of American race relations with a high rate of lynchings in Southern states which from 1890 to 1910 also disfranchised most black citizens from voting legally enforced white supremacy and Jim Crow and suppressed black people in second class status for decades His second novel Jennie Gerhardt was published in 1911 44 His featuring young woman as protagonists dramatized the social changes of urbanization as young people moved from rural villages to cities Dreiser s first commercial success was An American Tragedy published in 1925 From 1892 when Dreiser began work as a newspaperman he had begun to observe a certain type of crime in the United States that proved very common It seemed to spring from the fact that almost every young person was possessed of an ingrown ambition to be somebody financially and socially Fortune hunting became a disease with the frequent result of a peculiarly American kind of crime a form of murder for money when the young ambitious lover of some poorer girl found a more attractive girl with money or position

A Traveler at Forty (1913). By: Theodore Dreiser, Illustrated By: William Glackens Theodore Dreiser, William Glackens, 2017-08-27 A Traveler at Forty rises completely out of the commonplace and becomes something new illuminating and heretical It differs enormously from the customary travel books it is not a mere description of places and people but a revelation of their impingement upon an exceptional and almost eccentric personality H L Mencken For everywhere Dreiser goes he watches people with a terrible curiosity about them that never rests until he has their secrets Sinclair Lewis The most productive period of Theodore Dreiser writing life began with the five months he spent in Europe between 1911 and 1912 A Traveler at Forty is the detailed account of his travels during that time including the exploration of his ancestral roots in Germany This is the text of the popular original edition as it was published in 1913
