Theodore Roethke:

Straw for the Fire Theodore Roethke, 2006 American poetry could not have evolved as it did without Theodore Roethke
Bloomsbury Review [Theodore Roethke: Selected Poems](#) Theodore Roethke, 2024-11-12 From the recollections of his youth in Michigan to the visionary longings of the poems written just before his death Theodore Roethke embarked on a quest to restore wholeness to a self that seemed irreparably broken In the words of editor Edward Hirsch He courted the irrational and embraced what is most vulnerable in life Hirsch's selection and perceptive introduction illuminate the daring and intensity of a poet who in poems such as My Papa's Waltz and The Lost Son reached back into the abyss of childhood in an attempt to wrest self knowledge out of memory Roethke's true subject was the unfathomable depths of his own being but his existential investigations were always shaped and disciplined by an exacting formal stringency as equally at ease with Yeats vigorous cadence Four for Sir John Davies as with the spacious Whitmanian idiom on display in the virtuoso efforts of The Far Field This gathering of Roethke's works also includes several of his poems for children and a generous sampling from his notebook writings offering a glimpse of the poet at work with the raw materials of language and ideas About the American Poets Project Elegantly designed in compact editions printed on acid free paper and textually authoritative the American Poets Project makes available the full range of the American poetic accomplishment selected and introduced by today's most discerning poets and critics [On Poetry and Craft](#) Theodore Roethke, 2013-07-01 One of the virtues of good poetry is the fact that it irritates the mediocre Theodore Roethke was one of the most famous and outspoken poets and poetry teachers this country has ever known In this volume of selected prose Roethke articulates his commitments to imaginative possibilities offers tender advice to young writers and zings darts at stuffed shirts lightweights and fools Art is our defense against hysteria and death With the assistance of Roethke's widow this volume has been edited to include the finest selections from out of print collections of prose and journal entries Focused on the making and teaching of poetry On Poetry and Craft will be prized in the classroom and outrageous Roethke quotes will once again pepper our conversations You must believe a poem is a holy thing a good poem that is Theodore Roethke was of an illustrious generation of poets which included Sexton Plath Lowell Berryman and like them he received nearly every major award in poetry including the Pulitzer Prize and twice the National Book Award In spite of his fame he remained a legendary teacher known for the care and attention he gave to his students poets such as James Wright Carolyn Kizer Tess Gallagher and Richard Hugo Roethke died on August 1 1963 while swimming in a friend's pool But before I'm reduced to an absolute pulp by my own ambivalence I must say goodbye The old lion perisheth Nymphs I wish you the swoops of many fish May your search for the abiding be forever furious On Poetry and Craft I am overwhelmed by the beautiful disorder of poetry the eternal virginity of words The poem even a short time after being written seems no miracle unwritten it seems something beyond the capacity of the gods We can't escape what we are and I'm afraid many of my notions about verse I haven't too many have been conditioned by the

fact that for nearly 25 years I've been trying to teach the young something about the nature of verse by writing it and that with very little formal knowledge of the subject or previous instruction So it's going to be like

Straw for the Fire Theodore Roethke, 2006 There are only two passions in art there are love and hate with endless modifications Theodore Roethke At his death Theodore Roethke left behind 277 spiral notebooks full of poetry fragments aphorisms jokes memos journal entries random phrases bits of dialogue commentary and fugitive miscellany Within these notebooks Roethke allowed his mind to rove freely moment by moment moving from the practical to the transcendental from the halting to the sublime Fellow poet and colleague David Wagoner distilled these notebooks twelve linear feet of bookshelf into an energetic wise and rollicking collection that shows Roethke to be one of the truly phenomenal creative sources in American poetry From A Psychic Janitor I'm sick of fumbling furtive disorganized minds like bad lawyers trying to make too many points that this is an age of criticism and these mind you tin eared punks who couldn't tell a poem from an old boot if a gun were put to their heads Cover art by United States Poet Laureate Ted Kooser
