There Was Magic Inside:

Delver Magic Book XII: Essence of the Chase Jeff Inlo, 2017-11-08 Ryson Acumen wakes one morning to find his hometown surrounded by elves. A thrust of magic places the town of Burbon under the cover of a powerful spell and only when the human village is completely sealed off does the elf leader Standish Loftber reveal his demands. Loftber knows that the human wizard Jure has taken possession of elf essence and the elves will not leave until they retrieve what is rightfully theirs. Jure refuses to simply abandon what he views as a precious gift. He vows to retain the essence and swears to strive against any attempt to remove the magical energy. In hopes of escaping the town, the wizard enlists the help of his friends and companions. Ryson and Linda Acumen, Holli Brances and Enin work with the wizard to break through the elf spell of distortion. The delver leads the group utilizing his skills to deceive the elves and conceal any hint of a trail. They flee to the dark lands and struggle to find the one path which will steer them clear of a grave and costly confrontation with the elves.

Delver Magic Book VI: Pure Choice Jeff Inlo, 2012 As his hometown is attacked by river rogues and goblins, Ryson Acumen faces his most personal struggle. While fighting off the dark creatures, his deeply held beliefs create a conflict with Burbon's Captain of the Guard and Ryson's close friend Sy Fenden. An argument leads to a fracture in their friendship and the delver must choose a new direction in offering his services to Uton. Ryson's troubles are quickly compounded by a mystifying encounter with his wife Linda. Her immunity to magic leads to a surprising discovery that creates uncertainty between them. Unable to mend his closest relationships, Ryson begins to question the very foundation of his life. With personal difficulties mounting, the delver places his focus on a mystery unfolding across Dark Spruce Forest. An entire elf camp has disappeared and their absence has allowed for dark creatures to spread their influence across Uton's large forest. Ryson immerses himself into finding the elves, but the search further separates him from his wife. Facing her own trials, Linda's immunity to magic attracts the attention of creatures with malicious intentions. With Ryson away, she is vulnerable to attack and is subdued by forces hoping to use her special condition for their own gain. Her mind is clouded by strange sensations and her emotional state leaps from hostile anger to cold indifference. Allies of the delver become aware of the growing turmoil. Holli, Jure, and Enin assist Ryson in his investigations and help bring order and direction back to his life. The perilous events merge into one decisive encounter with a powerful sorcerer and pure magical energy. Ryson and his friends come together in a realm of darkness to fight for each other and to fulfill their purpose in a larger clash influenced by the choices of each individual.
