Through The Eyes Of A Child:

Through The Eyes Of A Child Mia,2020-09 Through the Eyes of a Child is a child s view of how small acts of kindness can lead to a positive impact in the world If everyone would do something positive some of the time it would already make a difference The problem that Mia sees in our adult view of life is that most of us believe that we have to make big sacrifices to have any real effect so we end up doing nothing instead Through the Eyes of a Child invites you to be the change that you want to see in the world through simple changes in better decisions and staying connected to others **Through the Eyes of a Child** Twania Porter,2021-08-04 **Through the Eyes of a Child (First Edition)** Martina Ebesugawa,2016-12-31
