Through Troubled Waters:

Walking Through Troubled Waters Lawrence S. Perry, 2022-04-06 This past year has been troubling for many of us who have had to deal with the ravages of the COVID 19 pandemic We have had to deal with a loss of freedom and some of us have lost jobs and income And most tragically there was the loss of family and friends who were fatal victims of this virus The result of which is that we have been forced to make many difficult transitions in our lives Life as we have known it has changed But did you know that there is great power in transitions These transitions are here to announce that we must set aside some old ways of thinking and doing and set our eyes on a new reality So where do we capture this new vision Where is life taking us How do we read the road signs In this book *Walking through Troubled Waters* we will explore the process of finding peace in the midst of our chaotic world We will do so by probing the life of an ancient biblical character King David What does such an ancient figure have to teach us about living through troubled times His story may well reflect our own experience David's story is a drama of his life changing transitions which he had to overcome and through these changes he has much to teach us Each time he found himself facing a new transition this great king revealed a heart for God And with this strong belief system he was guided through some troubling times Through faith he transformed some simple words into a prayer to the Almighty His faith in God was therefore the foundation to overcoming many of the challenges he had to face as a king and as a man What can faith do It can turn a boy into a warrior And with a warrior's spirit he had the strength to defeat those challenges before him With faith he learned to hear God's voice as he was guided through those troubled waters Through faith God taught him patience and with patience David learned that everything happened in God's perfect time David had to face many of his enemies who tried to destroy him He had to face his own sin and the rebellion in his family and each time he triumphed His final challenge was facing his own death Did he find peace I will let you be the judge More importantly can you like King David find peace in these troubling times
