best Her first challenge was a dinner date with Annie s fianc Davis But what Allison didn t expect was the presence of Davis s best friend Allison was far too logical to believe in love at first sight but there was nothing logical about the way she was responding to Spencer Raft The dark haired blue eyed mystery man had an assurance that Allison found positively maddening And by the end of the evening she couldn t help feeling that Spencer had been attracted to a carefully constructed illusion She was certain that the handsome adventurer wouldn t give her a second look if he knew her as she really was But Spencer Raft was a man of many talents and seeing below the surface of things was one of them He sensed the flesh and blood woman beneath the elaborate charade and after years of wandering the world in search of excitement he knew he had finally found what he had been looking for But first this incurable romantic had to convince an intractable skeptic that there was more to love than what she could study in a laboratory And what better way than to propose a passionate experiment of his own On board his yacht Spencer and Allison would fulfill their wildest fantasies and deepest desires but when their blissful idyll was over would it all prove to be no more than a pleasant interlude or the real thing
