Thy Kingdom Come A Blumhardt Reader:

Thy Kingdom Come Vernard Eller, *Thy Kingdom Come* Vernard Eller, 1980 *Christian Ethics, Second Edition* J. Philip Wogaman, 2010-12-24 This updated survey of Christian ethics addresses major thinkers movements and issues from the early church to the present A broad range of topics is discussed including the biblical and philosophical legacies of Christian ethics and ethics through the early medieval Reformation Enlightenment and modern eras This new edition contains more extensive discussions of ethics in the twentieth century including Vatican II ecumenical social ethics and Orthodox Christian ethics A new section *Toward the Third Millennium* looks at the issues we will face in the coming decades including medical scientific and political dilemmas and issues of terrorism war and peace *Baptized in the Spirit* Frank D. Macchia, 2009-12-15 *Baptized in the Spirit* creatively examines the most recent trends in Pentecostal and charismatic theology especially with regard to the displacement of Spirit baptism as Pentecostalism s central distinctive The author begins by focusing on the significance of the Holy Spirit in reciprocal and mutual work with the Son in fulfilling the will of the Father He also shows how the pneumatological emphases in Pentecostal and charismatic theology can help to correct the tendency in Western Christianity to subordinate the Spirit to the Word *"Jesus Is Victor!"* Christian T. Collins Winn, 2009-01-01 IN THIS INNOVATIVE WORK Christian T Collins Winn examines the role played by the Pietist pastors Johann Christoph Blumhardt 1805 1880 and Christoph Friedrich Blumhardt 1842 1919 in the development of Karl Barth s theology The disparate theological themes and dynamics of the two Blumhardts were crystallized in their eschatology and Collins Winn argues that as early as 1916 Barth had appropriated this Blumhardtian eschatological deposit in ways fundamental to his own theological development Against the grain of current Barth scholarship this book establishes how the theology of the Blumhardts though critically reconstructed was not merely an episodic influence on Barth s work Instead the Blumhardts had a complex and enduring impact on Barth such that their imprint can be detected even in the mature theology of his *Church Dogmatics* In treading new ground into Barth s theological formation *Jesus Is Victor* represents an important contribution to the field of Barth studies *Concrete Time and Concrete Eternity* Li Qu, 2014-02-14 This publication investigates how Karl Barth s doctrine of time and eternity can contribute to the continued understanding of the relationship of divine eternity to time or temporality Examining from a theological philosophical and physical perspective with deep emphasis on the Trinity as well as Barth s Christology and pneumatology the author helps us to understand his theory on time and eternity Barth s contribution to the subject is significant with his doctrine of time and eternity being relational in ontology Trinitarian in background and concrete in character **The Living Church** ,1981 **The Reader's Guide to the Best Evangelical Books** Mark Lau Branson, 1982 **Signs of the Kingdom** Leonhard Ragaz, 1984 *Rahner and Metz* Titus F. Guenther, 1994 Guenther has revealed a deep complementarity and interdependence between the writings of Karl Rahner and Johann Baptist Metz The work investigates the different contemporary theologies analyzing whether Rahner s

theology represents a true version of what Metz has for some twenty years termed a political theology The author offers an interpretation of Metz's relation to modern secularity his dialogue with Marxism and critical theory and the development of his own special themes including discipleship christology and the truly Christian meaning of solidarity Guenther's comprehensive treatment of Rahner's thought explores his indebtedness to modern transcendental philosophy and his difference from it In his exploration of Rahner's ideas on the Second Vatican Council and his concern for the church's role in the world Guenther discusses the development of Rahner's theology of human subjectivity and freedom his ringing incarnationalism and pastoral commitment Guenther measures the apologetic potential to warrant the description political Guenther then examines the complementary and supplementary elements of Rahner and Metz's theologies Contents On Procedure Introduction Political Theology as Practical Fundamental Theology Characteristics and Dynamics of Rahner's Theology Political Theological Content in Rahner's Work Conclusion Karl Rahner's Political Theology Bibliography
