## **Tiddling Tennis:**

*The Tiddling Tennis Theorem* Arthur Watterson Hoppe,1977      **A Social History of Tennis in Britain** Robert Lake,2014-10-03 Winner of the Lord Aberdare Literary Prize 2015 from the British Society for Sports History From its advent in the mid late nineteenth century as a garden party pastime to its development into a highly commercialised and professionalised high performance sport the history of tennis in Britain reflects important themes in Britain s social history In the first comprehensive and critical account of the history of tennis in Britain Robert Lake explains how the game s historical roots have shaped its contemporary structure and how the history of tennis can tell us much about the history of wider British society Since its emergence as a spare time diversion for landed elites the dominant culture in British tennis has been one of amateurism and exclusion with tennis sitting alongside cricket and golf as a vehicle for the reproduction of middle class values throughout wider British society in the twentieth and twenty first centuries Consequently the Lawn Tennis Association has been accused of a failure to promote inclusion or widen participation despite steadfast efforts to develop talent and improve coaching practices and structures Robert Lake examines these themes in the context of the global development of tennis and important processes of commercialisation and professional and social development that have shaped both tennis and wider society The social history of tennis in Britain is a microcosm of late nineteenth and twentieth century British social history sustained class power and class conflict struggles for female emancipation and racial integration the decline of empire and Britain s shifting relationship with America continental Europe and Commonwealth nations This book is important and fascinating reading for anybody with an interest in the history of sport or British social history      *Tennis* Robert E. Gensemer,1982      *Tennis* Shimon-Craig Van Collie,1993      *Sex Integration in Sport and Physical Culture* Alex Channon,Katherine Dashper,Thomas Fletcher,Robert Lake,2018-10-11 Scholars working in the academic field of sport studies have long debated the relationship between sport and gender Modern sport forms along with many related activities have been shown to have historically supported ideals of male superiority by largely excluding women and or celebrating only men s athletic achievements While the growth of women s sport throughout the 20th and 21st centuries has extinguished the notion of female frailty revealing that women can embody athletic qualities previously thought exclusive to men the continuation of sex segregation in many settings has left something of a discursive back door through which ideals of male athletic superiority can escape unscathed retaining their influence over wider cultural belief systems However sex integrated sport potentially offers a radical departure from such beliefs as it challenges us to reject assumptions of male superiority entertaining very different visions of sex difference and gender relations to those typically constructed through traditional models of physical culture This comprehensive collection offers a diverse range of international case studies that reaffirm the contemporary relevance of sex integration debates and also articulate the possibility of sport acting as a legitimate space for political struggle resistance and change This book was originally

published as a special issue of Sport in Society      **The Atlantic Monthly** ,1977      **Having a Wonderful Time** Arthur Hoppe,1995-10 Renowned for his biting satires of politics government money and other chimeras Hoppe here takes a fresh stab at world events while bringing a skewering wit to his own life in journalism With his usual combination of charm and provocation he describes his plans for the Nobody for President campaign writes about Private Oliver Drab in Vietnam and reveals the foibles of presidents Elbie Jay Nixon and Clinton Hillary is a cross between Eleanor Roosevelt and Eva Peron
