**Travels with Dad** Mark Pugatch,2001-06-17 The only certainty of traveling on the road is that you leave one place and arrive somewhere else The wealth of the trip is in the middle the doing It is here where the memories are made and shared Please climb in and join 2 children and 1 fearless Dad as we travel through this great country You will laugh you will cry you may even feel pity as you read about our challenges dilemmas triumphs and embarassments It is my hope each reader will find a sense of identification with some event or incident and be enriched in knowing that it happens to others too This is a book of sharing our greatest wealth that one can be entrusted with our children They view life with the freshness the newness and with an undisturbed and uncontaminated perspective from which we all can learn and share Sit back enjoy a book you can enjoy with your children as we share our experiences in a humorous recounting of events and moments that have made all the difference in mine and their lives In this day of worrying about what our children are exposed to and how we interact with them this book serves as a refreshing reminder of days gone by where the real entertainment is provided through love and sharing Please join us on our journey *Morgan the Travel* Ronald D Morgan,2021-09-16 Morgan the
