Finding Joy in the Journey Anne Joy,2015-08-04 Live life to the fullest and really experience finding the joy in the journey of life Just as everyone has a unique set of fingerprints everyone has a unique journey through life Experiences in every day of the journey through life and how you react to and handle those experiences are unique to each individual Make the most of opportunities and coincidences that come your way to navigate through the twists and turns on the path of your lifes journey Original Blessing Danielle Shroyer,2016-10-24 Of the worlds major religions only Christianity holds to a doctrine of original sin Ideas are powerful and they shape who we are and who we become The fact that many Christians believe there is something in human nature that is and will always be contrary to God is not just a problem but a tragedy So why do the doctrines assumptions of human nature so infiltrate our pulpits sermons and theological bookshelves How is it so misconstrued in times of grief pastoral care and personal shame How did we fall so far from Gods original blessing in the garden to this pervasive belief in humanitys innate inability to do good In this book Danielle Shroyer takes readers through an overview of the historical development of the doctrine pointing out important missteps and overcalculations and providing alternative ways to approach often used Scriptures Throughout she brings the primary claims of original sin to their untenable and unbiblical conclusions In *Original Blessing* she shows not only how we got this doctrine wrong but how we can put sin back in its rightful place in a broader context of redemption and the blessing of humanitys creation in the image of God *P.F.P.
