piece The author feels this generation has lost so many values and she prays for everyone We have not been short of God's blessings However so many people don't take time to give Him thanks and praise Well the author gives Him thanks for the wisdom that our parents grandparents and others shared with us The things they used to say were wise funny and a lot of it came from God's word This is a book of legacy that the author was inspired by God to write It is not about superstition it's just plain truth Things our ancestors used to say like Who wouldn't serve a God like that is contained within these pages and so much more The author also explains what each expression means and how valuable each expression is based on God's word The author prays you will be richly blessed

That's What She Said Julie Ann Eggemeyer, 2011-03-15 The following 50 poems are about people that have directly affected my life Some are tributes to loved ones that left my life too soon They may be gone from this earth but are forever here in spirit and in my heart Other poems are about people that have made a lasting impact on the way I think feel and live my life All of these people have touched my life and left me with much wisdom I hope that you can relate to the special people in your life through my book of poems

Who Are You John E. Coleman, 2012-11-21 Who Are You Treasured Memories Wouldn't it be great if you could just push a button on your computer and have a list of all your memories pop up This ingenious book of lists which is in essence a catalogue of all your memories does just that It's not a diary it's not a journal You don't write sentences or paragraphs You simply make a list And when you are finished the book is truly you It's your life in lists It consists of your hopes dreams fantasies best and worst times and funniest moments It is everything you have wondered like to remember need to face fear desire wish and hope for We are all a conglomeration of our hopes and dreams wishes and fears accomplishments and failures an amalgam of all the different 1 experiences we've had 2 ideas we thought 3 feelings we felt and 4 our physical bodies Outside of one's family and friends the greatest things in a person's life are his memories It's sad that people don't take time to enjoy our memories more often and learn from them and appreciate what we have Called by some a road map on knowing and loving yourself it offers a path to self understanding and happiness The best counseling tool I've ever seen The easiest way to recall your life The book when finished can be a priceless family heirloom with everything you wanted to know about a loved one Treasured Memories is a fascinating voyage of self discovery for all of you And I hope the memories in this book will help you remember and appreciate your Wonderful Life
