

Means to an End !

The Anti-Treatyites are fond of voting **the dead who died for Ireland !**

And invariably they vote them **against** the Treaty !

If Collins, Mulcahy, etc., had died they would be voted "Anti" also!!

Listen to Padraig Pearse himself :—

" The fact that Thomas Davis would have accepted and worked on with Repeal in no wise derogates from his status as a Separatist, any more than the fact that many of US would have accepted Home Rule (or even Devolution) and worked on with it derogates from OUR status as Separatists. Home Rule to US would have been a means to an end. Repeal to Davis would have been a means to an end."

(*" The Spiritual Nation "*—P. H. PEARSE.)

VOTE FOR THE TREATY !

Treaty Pro:

Management of Latin American River Basins Asit K. Biswas,1999 The Bolivia Summit of the Americas declared in 1996 that despite extensive efforts by countries in the Americas to improve water use and management demand continues to rise while contamination has seriously degraded the quality of freshwater spreading disease and causing economic losses Increasing populations the environmental stresses of economic development and water related public health risks make sustainable water management increasingly complex As per capita demand for water in developing countries is steadily increasing analysis indicates that the cost of future water source development will be double to triple the cost of similar projects in the current decade This book gathers expert analyses of issues surrounding three of Latin America s largest and most important rivers including inter state and intra state conflicts over their fair and sustainable use
