**USS Constellation** Geoffrey Marsh Footner,2003 Built in Baltimore in 1797 under orders from President George Washington USS Constellation is one of America s first warships and according to this new study remains the nation s oldest surviving warship With the book s publication the author believes he has put to rest a decades old controversy among naval historians the U S Navy local governments and various historic ship foundations He argues that though greatly modified since built by David Stodder the ship now berthed in Baltimore s Inner Harbor is indeed the original Constellation Tracing her history from frigate to sloop of war Footner examines Constellation s exciting operational history and four rebuilds including her last in 1853 when John Lenthall the Navy s chief constructor redesigned her extensively **Modelling the**

**USF Constellation** Gilbert C. McArdle,1985 This is a practical guide to the construction of a detailed plank on frame model of the USF Constellation whose keel was laid in the 1790s It was one of the very first vessels of the U S Navy The modeller is given starting with the hull step by step instructions with tips on materials and processes the author found helpful when he built his model The modeller will learn clever techniques for simulating the fittings and ship furniture as well as the spars and rigging A lifelong nautical and modelling enthusiast Dr McArdle created a six foot replica of the USF Constellation that is on display at the lobby of the World Trade Center in Baltimore **Port Series** ,1979 **Information Bulletin** ,1979

**American Naval History in 50 Ships** James M. Caiella,2025-08-01 The course of American naval history has not been set only by the relatively few famous ships whose stories have been told and retold This volume spotlights 50 less recognized vessels each significant in its own way from the Continental Navy to the first supercarriers while touching on many others with which their stories are interwoven Attention is given not only to the design and conceptual changes the vessels embodied but also the crews whose toil and heroism gave them life and sometimes notoriety One captain tried to sell his warship in the midst of the Civil War Each ship is detailed chronologically in chapters that often dispel timeworn misconceptions Some were trailblazers others were misdirected in their inspiration design or execution indeed two could not float and one was dampened only by rain Yet each helped shape America s seafaring history *Congressional Record* United States.
