War Between The Generals Inside The Alli:

Grand Strategy and Military Alliances Peter R. Mansoor, Williamson Murray, 2016-02-09 A broad ranging study of the relationship between alliances and the conduct of grand strategy examined through historical case studies *The Great War Between Athens And Sparta: A Companion To The Military History Of Thucydides* Dr. Bernard W. Henderson, 2015-11-06 As a companion to the military history of Thucydides this learned and thoughtful treatise by a well known Oxford tutor is assured of a hearty welcome For Dr Henderson in retelling the story of the most famous of all wars gives the essence of many commentaries on Thucydides with numerous maps and plans and also cites recent parallels to the old campaigns Thucydides is so modern in his outlook that this method of treatment is not merely permissible but entirely appropriate Dr Henderson has a vivacious style and enters heartily into the spirit of the many dramatic episodes such as Cleon's victory at Sphacteria or the desecrating of the Hermae on the very eve of the sailing of the expedition to Syracuse or the condemnation of the Athenian generals after their last great sea victory at Arginusae Even those who think that they know their Thucydides well may learn a good deal from the book And the implied lesson of the crimes and follies that an uncontrolled democracy can commit comes out stronger than ever The Spectator Archive
