India balance of power in the region nuclear and ballistic missile threats relationship with external powers the high risk of war and its role on the War on Terror and its internal security problems sectarianism proliferation of small arms refugees ethnic violence drug problem economic weaknesses and also its ability to cope with these problems *Britain's War Machine* David Edgerton,2011-09-09 The familiar Britain in the Second World War is that of the plucky underdog taking on German might David Edgerton s bold compelling new history shows the conflict in a new light with Britain as a very wealthy country formidable in arms powerful in production and ruthless in pursuit of its interests Warmachines of Alexandria Thomas K.
