Dark Sagas Budget Edition Mikael Hassel,2016-01-23 Dark Sagas is a fantasy roleplaying game that pays homage to the games of old while having newer and more consistent rules and is built on the concept of playing in a darker fantasy world where magic is dangerous and can corrupt the soul and body of anyone using it in a careless manner This is the budget edition offering you the most affordable

option of all the editions Divine Madness and the Absurd Paradox Bruce G. Shapiro,1990-05-23 This book is a comprehensive study of Peer Gynt a drama that forms the foundation of not only the entire Ibsen canon but also modern drama as a whole It provides scene by scene commentary on the drama showing how the literature and ideas of the drama resemble and sometimes duplicate the literature and philosophy of Soren Kierkegaard It is the first such study since Henri Logeman s commentary on the drama published in 1917 Although the main focus of the book is Ibsen s drama Bruce Shapiro s study provides some substantial insights into Kierkegaard He demonstrates how Ibsen s poem was influenced by Kierkegaard s philosophy and literature One of the most perplexing questions about Peer Gynt is how the ending of the drama functions as a resolution to the whole This study formulates an understanding based upon Kierkegaardian philosophy that accounts for this scene Moreover the revelation of Kierkegaard s influence on Ibsen allows the contemporary reader to experience the essence of the drama within the same intellectual context in which it made its first literary appearance When Kierkegaard s philosophy is artistically brought back into existence through a reader s experience of Peer Gynt it is as if that reader is a contemporary of those very thoughts With Kierkegaardian philosophy as the common horizon of understanding Peer Gynt may be perceived as a complete and unified drama from its beginning to its conclusion Shapiro s book is the first comprehensive study of Peer Gynt to be published It may also be the first study to demonstrate one way in which the entire Kierkegaardian dialectic was understood during the philosopher s lifetime This unique work will be a valuable book for scholars and students of drama Scandinavian studies modern philosophy and existentialism **Thud!** Terry
