## **We Called Them Gods:**

**All The God We Cannot See: Why There is God** Sam Oputa, 2019-05-14 To suggest that there are aliens is mind blowing but to also suggest that that becomes an avenue to deny the existence of the one God Consciousness might be considered as an utter nonsense There is Cosmic Consciousness always There are many gods but there is one Consciousness Whether you can differentiate the very many gods and the only ONE Consciousness is what differentiates you and sets you apart from a follower a religionist an atheist or a theist of a different kind Whether or not you believe understand Consciousness your afterlife is guaranteed because you are the creation evolution of Consciousness You are simply here to experience creation in a yin and yang a duality Meanwhile do you recall that biblical Moses asked God for an identification Consciousness does not work like a God and a prophet Consciousness lets you do your thing after all you are experiencing the creations of Consciousness Moses could no longer identify which God that was given the messages because they were doing a doublespeak There were simply too many Gods What follows is a cautious search for answers The answers seem to create more confusions Should the word God be redefined The Old Testament simply did not propagate the concept of monotheism even though we are taught to accept and profess it was is so In fact Egypt has the record at a practice for monotheism through Akhenaten Though religious people today would have dismissed Akhenaten as a worshipper of the Sun they failed to acknowledge that the Sun God representation is an allegory The sun moon the sea snakes etc are just symbols depicting a God There must be tension here and it is obvious if you think about it Polytheism is simply and without qualification the belief in more than one God Thus on the most common way of understanding polytheism Christian belief will not be monotheism but clearly polytheism Read it all here [WE ARE GODS](#) Joseph Ngoma ,2025-10-16 What does it mean to be made in the image of God Why did Jesus declare Is it not written in your law I said you are gods John 10 34 Psalm 82 6 Many wrestle with these words often misunderstood but within them lies a powerful truth about human identity purpose and authority In *We Are Gods* Joseph Habimana Ngoma uncovers the biblical revelation that we are not God Almighty but we are His image bearers small gods created to reflect His glory exercise His authority and fulfill His will on earth This book explores God s original design for humanity in Genesis 1 26 28 What it means to be sons and daughters of the Most High How Satan distorts human identity through lies and sin The restoration of God s image in us through Jesus Christ The responsibility of believers is to walk in holiness power and love This is not a message of pride or self exaltation but of humility and responsibility To be gods is to be God s representatives ambassadors of His Kingdom called to bring light where there is darkness and truth where there is deception If you have ever struggled to understand your spiritual identity your authority in Christ or your purpose in life this book will open your eyes to who you are meant to be in God s Kingdom **The Trinity** Saint Augustine (of Hippo), 1990 A splendid translation made from a trustworthy Latin text of what is for some of us the foundation work of Christian theology He has fitted out his translation clearly the best of the four that have been made into

English with notes that go well beyond the perfunctory and a 38 page introduction that is a delight to read Journal of Religion and Health Barry Ulanov The Works of Aurelius Augustine: Writings in connection with the Manichaeian heresy, translated by Richard Stothert. 1872 Saint Augustine (of Hippo),1872 **Ritualism; Or, Ritualistic Worship ...** Richard Hooker Edward Wix,1867 **The garden of life, flowers of thought on culture, conduct and character for every day in the year, gathered and arranged by H.W. Designed for Popular Use, and Specially Adapted to Sunday-Schools George Whitefield Clark,1897 **The Catechism Explained** Francis Spirago,1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord s teaching and may be called a guide book for the Christian on the road to heaven Preface The Theosophical Path Katherine Augusta Westcott Tingley,1919 **Sermons Preached in St. James's Chapel, York Street, London...** Stopford Augustus Brooke,1879 A Commentary on the Holy Bible John Roberts Dummelow,1909 **(The daily Psalms, meditations, by the author of 'The daily round')**.
