

We Came From Vietnam

Herman L. Gilster

We Came From Vietnam:

We Came From Vietnam Muriel Stanek,1985-04-01 A true story illustrated with B food shopping with their parents doing a traditional dance in their Vietnamese clothing praying at the family shrine and celebrating traditional festivals The Vietnam Reader Stewart O'Nan,2011-03-23 The Vietnam Reader is a selection of the finest and best known art from the American war in Vietnam including fiction nonfiction poetry drama film still photos and popular song lyrics All the strongest work is here from mainstream bestsellers to radical poetry from Tim O'Brien to Marvin Gaye Also included are incisive reader's questions useful for educators and book clubs in a volume that makes an essential contribution to a wider understanding of the Vietnam War This authoritative and accessible volume is sure to become a classic reference as well as indispensable and provocative reading for anyone who wants to know more about the war that changed the face of late twentieth century America From the Trade Paperback edition Vietnam War Portraits Thomas Sanders,2020-02-29 This volume honors those who experienced the Vietnam War through striking portraits and personal accounts of the conflict and its repercussions This book offers a uniquely human perspective on the Vietnam War through portraits and stories of American veterans southern Vietnamese veterans and civilians The surreal imagery of Thomas Sanders photography encourages the viewer to take a closer look at those who experienced the war These images are paired with the individuals haunting inspirational and sometimes comical stories of the war Set in a surreal jungle environment the portraits evoke the sense of darkness and uncertainty felt by those who experienced the war Some portrait subjects hold objects that evoke their time of service the common cigarette pack smoked by the vets while in the jungle a homemade grenade made by the northern Vietnamese and the order to report document that changed many a life *Wisconsin Vietnam War Stories* Sarah A. Larsen,Jennifer M. Miller,2010 A companion book to the documentary produced by Wisconsin Public Television Wisconsin Vietnam War Stories showcases 40 first person stories from those who fought in America's longest war From barely legal sons of Wisconsin to seasoned soldiers the men and women in these pages make up a diverse collection of voices an army chaplain who led services at Khe Sanh but never picked up a weapon identical twin brothers who discover they are stationed at the same South Vietnam base a Hmong refugee who fought the Secret War at age 12 in the jungles of Laos and later moved to Milwaukee two prisoners of war whose years in captivity total almost 14 a Medal of Honor recipient and dozens more The stories in these pages expand beyond the borders of the war to include personal accounts of the events leading up to it as well as the experiences of veterans as they return home to civilian life at the height of antiwar protest Supported by original maps photographs from the veterans own collections historical chapter introductions biographies and a comprehensive honor roll of Wisconsin born soldiers who died or remain missing Wisconsin Vietnam War Stories is an unforgettable collection and lasting tribute to our veterans **Navy Corpsmen in the Vietnam War** Harry Spiller,2021-06-02 The captivating individual stories of 17 U S Navy corpsmen who served in Vietnam told in their own words

Their accounts relate why they joined the Navy in wartime why they became corpsmen the enlisted medical specialists of the Navy and Marine Corps along with many day to day sometimes minute to minute recollections of caring for both the wounded and the dead under fire They also reflect on the long term effects the war had on them and their families *The Vietnam War on Film* David Luhrssen,2019-05-10 Vietnam War on Film illustrates how to employ film as a teaching tool It also stands on its own as an account of the war and the major films that have depicted it Even for many people who experienced the Vietnam War first hand memories of that conflict have often been shaped by the popular films that depicted it The Quiet American The Green Berets The Deer Hunter Coming Home Platoon Full Metal Jacket and Apocalypse Now among others Vietnam War on Film examines how the war is portrayed through a selection of ten iconic films that represent the war through dramatization and storytelling as opposed to through documentary footage The book includes an introduction to the war s history and a timeline of events followed by ten chapters each of which focuses on a specific Vietnam War movie Chapters offer a uniquely detailed level of historical context for the films weighing their depiction of events against the historical record and evaluating how well or how poorly those films reflected the truth and shaped public memory and discourse over the war A final section of resources provides a comprehensive annotated bibliography of print and electronic sources to aid students and teachers in further research **Vietnam Veterans** Lea Ybarra,2004-04-01 One of the most decorated groups that served in the Vietnam War Chicanos fought and died in numbers well out of proportion to their percentage of the United States population Yet despite this their wartime experiences have never received much attention in either popular media or scholarly studies To spotlight and preserve some of their stories this book presents substantial interviews with Chicano Vietnam veterans and their families that explore the men s experiences in combat the war s effects on the Chicano community and the veterans postwar lives Lea Ybarra groups the interviews topically to bring out different aspects of the Chicano vets experiences In addition to discussing their involvement in and views on the Vietnam War the veterans also reflect on their place in American society American foreign policy and the value of war Veterans from several states and different socioeconomic classes give the book a broad based perspective which Ybarra frames with sociological material on the war and its impact on Chicanos The Vietnam War Files Jeffrey P. Kimball,2004 The new evidence uncovers a number of behind the scenes plays such as Nixon s secret nuclear alert of October 1969 and sheds more light on Nixon s goals in Vietnam and his and Kissinger s strategies of Vietnamization the China card and triangular diplomacy The excerpted documents also reveal significant new information about the purposes of the linebacker bombings Nixon s manipulation of the POW issue and the conduct of the secret negotiations in Paris as well as other key topics events and issues All of these are effectively framed by Kimball whose introductions to each document provide historical context An American Town and the Vietnam War Tony Pavia,Matt Pavia,2018-10-10 Hundreds of young Americans from the town of Stamford Connecticut fought in the Vietnam War These men and women came from all corners of the town They were white

and black poor and wealthy Some had not finished high school others had graduate degrees They served as grunts and helicopter pilots battlefield surgeons and nurses combat engineers and mine sweepers Greeted with indifference and sometimes hostility upon their return home Stamford s veterans learned to suppress their memories in a nation fraught with political economic and racial tensions Now in their late 60s and 70s these veterans have begun to tell their stories

Vietnam Wars 1945-1990 Marilyn Young,2015-02-03 The first book to give equal weight to the Vietnamese and American sides of the Vietnam war **Vietnam** John Prados,2009 The first major synthesis of the war since 2001 drawing upon a host of newly declassified documents presidential tapes and overlooked foreign sources to give the most comprehensive look to date of the war that still haunts America Plummer v. Bechtel Construction Company, 440 MICH 646 (1992) ,1992 89153 **Uncertain Warriors** David M. Barrett,1993 Lyndon Johnson when it comes to his role in the Vietnam war is popularly portrayed as an irrational hawkish leader who bullied his advisers and refused to solicit a wide range of opinions That depiction David Barrett argues is simplistic and far from accurate **Inside the Pentagon Papers** John Prados,Margaret Pratt Porter,2004 Inside the Pentagon Papers addresses legal and moral issues that resonate today as debates continue over government secrecy and democracy s requisite demand for truthfully informed citizens In the process it also shows how a closer study of this signal event can illuminate questions of government responsibility in any era When Daniel Ellsberg leaked a secret government study about the Vietnam War to the press in 1971 he set off a chain of events that culminated in one of the most important First Amendment decisions in American legal history That affair is now part of history but the story behind the case has much to tell us about government secrecy and the public s right to know Commissioned by Secretary of Defense Robert McNamara the Pentagon Papers were assembled by a team of analysts who investigated every aspect of the war Ellsberg a member of the team was horrified by the government s public lies about the war discrepancies with reality that were revealed by the report s secret findings His leak of the report to the New York Times and Washington Post triggered the Nixon administration s heavy handed attempt to halt publication of their stories which in turn le **No Shining Armor** Otto J. Lehrack,1992 An oral history of the Third Battalion Third Marines in Vietnam *Cannon Fodder* Phillip Coleman,1987 **Daily Report** ,1975-02 **The OSS and Ho Chi Minh** Dixee R. Bartholomew-Feis,2006 Some will be shocked to find out that the United States and Ho Chi Minh our nemesis for much of the Vietnam War were once allies Indeed during the last year of World War II American spies in Indochina found themselves working closely with Ho Chi Minh and other anti colonial factions compelled by circumstances to fight together against the Japanese Dixee Bartholomew Feis reveals how this relationship emerged and operated and how it impacted Vietnam s struggle for independence Although the OSS did not bring Ho Chi Minh to power Bartholomew Feis shows that its apparent support for the Viet Minh played a significant symbolic role in helping them fill the power vacuum left in the wake of Japan s surrender Her study also hints that had America continued to champion the anti colonials and their quest for independence

rather than caving in to the French we might have been spared our long and very lethal war in Vietnam Based partly on interviews with surviving OSS agents who served in Vietnam Bartholomew Feis s engaging narrative and compelling insights speak to the yearnings of an oppressed people and remind us that history does indeed make strange bedfellows **Vietnam**
Diary Herman L. Gilster,2005 New York Court of Appeals. Records and Briefs. New York (State).,

Eventually, you will very discover a additional experience and achievement by spending more cash. still when? attain you say yes that you require to acquire those all needs similar to having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will lead you to understand even more a propos the globe, experience, some places, as soon as history, amusement, and a lot more?

It is your utterly own period to conduct yourself reviewing habit. among guides you could enjoy now is **We Came From Vietnam** below.
