We Of The Never Never Dodo Press:

The Road Goes Ever On and On Jeb Smith, 2023-04-12 Engrossing Tolkien's principles patriotism Medievalism localism Catholicism are certainly out of fashion today And yet they're the foundation for all his books which have sold hundreds of millions of copies Mr Smith does a wonderful job of explaining why modern readers are so enthralled by Tolkien's reactionary vision Whether you're a casual Lord of the Rings fan or a serious Tolkien scholar every page of Mr Smith's book will delight and fascinate And if anyone ever tells you that fairy tales are only for children hand him this book Tolkien ought to be regarded as one of the great social critics of our time as Mr Smith so masterfully demonstrates Michael Warren Davis is an editor for Sophia Institute Press and the author of *The Reactionary Mind Why Conservative Isn't Enough* You can find him on his blog *The Common Man* As the popularity of Tolkien's work continues to endure the importance of Jeb Smith's work continues to grow This is because of a prolonged siege against Tolkien's work the attempt to dislodge it from its Christian and Biblical foundations Jeb Smith's insights are immensely helpful to this and future generations of Tolkien admirers Scott L Smith author of *Lord of the Rings and the Eucharist* J R R Tolkien's Middle earth has captured the imaginations of millions of readers around the world for generations He is considered the father of modern fantasy but few understand how Tolkien's worldview impacted his mythology *The Road Goes Ever On and On* is the first book of its kind to place Tolkien within his proper context giving the reader a deeper understanding of Tolkien and Middle earth Smith takes us on a quest through a wide range of Tolkien's writings to unlock Tolkien's perspective a perspective that like the elves who have sailed into the West leaving Middle earth has faded away from our world You will gain an in depth knowledge of Tolkien's views on politics environmentalism religion and much more From the Valar to Hobbits the free peoples closely follow Tolkien's sentiments In contrast forces under the Shadow represent what Tolkien believed was immoral Covering a wide range of topics *The Road Goes Ever On and On* is filled with breathtaking illustrations bringing Middle earth to life like never before making this the one book to rule them all *The Doherty News*, 1927 **The Illustrated London News**, 1921 **Actors and the Art of Performance** Susanne Granzer, 2016-05-12 *Actors and the Art of Performance Under Exposure* combines the author's two main biographical paths her professional commitment to the fields of both theatre and philosophy The art of acting on stage is analysed here not only from the theoretical perspective of a spectator but also from the perspective of the actor The author draws on her experience as both a theatre actor and a university professor whose teachings in the art of acting rely heavily on her own experience and also on her philosophical knowledge The book is unique not only in terms of its content but also in terms of its style Written in a multiplicity of voices the text oscillates between philosophical reasoning and narrative forms of writing including micro narratives fables parables and inter alia by Carroll Hoffmann and Kleist Hence the book claims that a trans disciplinary dialogue between the art of acting and the art of philosophical thinking calls for an aesthetical research that questions and begins to seek alternatives to traditionally established and ingrained formats of philosophy
