Weaker Vessel The:

The Weaker Vessel Antonia Fraser, 2014-05-14 The renowned historian and biographer Lady Antonia Fraser author of Marie Antoinette investigates the lot of women in seventeenth century England Drawing on period diaries letters and other papers Fraser sketches portraits of a variety of women both highborn and humble during the tumultuous century between the death of Elizabeth and Queen Anne s assumption of the throne More than a collection of female biographies The Weaker Vessel offers fresh insight into its subjects attitudes and lives with appearances by heiresses and dairy maids holy women and prostitutes criminals and educators widows and witches midwives and mothers heroines courtesans prophetesses businesswomen ladies of the court and that new breed the actress An almost encyclopedic chronicle of women in 17th century England wives warriors heiresses preachers alive with anecdote after anecdote The New York Times Book Review

Gender, Sex, and Subordination in England 1500-1800 Anthony Fletcher, 1995-01-01 During the early modern period men and women in England lived their lives within a social and gender framework inherited from biblical times Patriarchy the social and cultural dominance of the male has long been a feature of western civilization and this work attempts to provide a portrait of the origins and operation of the system over a long stretch of the English past *My Book of Poems for the World* Raymond Crhistian, 2011-06-10 I hope this book will touch your heart concerning the many attributes of life I have shared with you Although I do not have a set style of writing I consider myself as being creative and versatile a God given ability and talent to create words with energy and emotions The variety of poems that are placed in this book are unique in their own way I pray which ever poem or prose enlightens your heart that you are able to embrace the words and share them with someone else I pray this book will help you to be able to encourage the life of someone around you and help to change the course of their life Poetry is a spiritual gift of love concerning the many evolutions and cycles that this world we call the planet earth evolves around It is a gift of love shared by the muses of ones connectivity to bring an individual or individuals into a glorifying act of happiness and peace through each word each line each stanza and ending What you choose to grasp and take with you concerning my work I pray it will be with you forever My Book of Poems for the World is a mixture of my work According to how you feel at the time you pick up the book to read it I am certain you will thumb through the pages and say to yourself I like this one or that one Just remember that any poem or prose you choose it is definitely up to your liking You will enjoy them all but everyone has a favorite I expressed many emotions and feelings in this book concerning the poetry and prose enclosed You will find poems and prose of love romance humor spiritual enlightenment poems and prose for just a little food for thought On the spiritual side of it all I must say that the prose Just One More Soul is one of my best works It deals with the lost soul and how you must seek God for yourself There is also A Penny for Your Thoughts quite controversial yet it leads you to a higher power as one would say reminding you in the process of course there is only one true God If you would go deeper into the book and study it carefully I am certain that you are going to run across what I

consider a little food for thought a prose I have written titled My Shoes My Bed My Table if you really have a heart ticking in your body once you finish this one prose I am certain you will become more involved in what is taking place with those who are in need of assistance Not just the homeless but the widows orphans and strangers who you turn your backs on daily I Cry from the Womb is based on the awareness all mothers should have due to their ability to bring life into this world a child crying for their mothers protection sensitive and touching Although I do not consider myself to be a controversial writer I understand that some of my work does take some people into deep thought meaning critics and will cause them to think otherwise I must state because of my love for all mankind I only write what I know to be factual and true what I have experienced and what I have researched in order that the truth does not get distorted Prose like The Whip An Unpaid Debt The Dim Light of Justice and a few others may spark a few thoughts concerning your creed color or religious background I state it is time for a positive change to occur and if my work begins to reopen the doors of concern for everyone to put their cards on the table and show their hands then there is not a need to vote
