**Weapons of Mass Affection** Susan Lasley,2002-10-01 *Let the Men Fight!* Gregory G. Ogle,2006-06-28 Involvement by men especially African American men in the Christian church has always been notoriously sparse Pastors seminary scholars and Christian leaders male and female have pondered the problem but it remains a question The women ask What is wrong with the brothers My response is Why does it have to be something wrong with the brothers Could it be that as African American males want to hear something other than what is being preached Have we considered preaching the Gospel of Christ from a masculine perspective Is it possible that because the majority of churches are 70% female that the Good News is inadvertently preached by male and female preachers from an implicit female perspective Perhaps preachers are subconsciously more concerned with maintaining the satisfaction of the bulk of the tithing parishioners who are women Let the Men Fight challenges the notion that the fault resides with African American men and strives to provide a male sensitive Word However there is a caveat The warning is upon learning and accepting the truth God expects us to go tell and teach others Matthew 28 19 20 says Go ye therefore and teach all nations baptizing them in the name of the Father and of the Son and of the Holy Ghost 20 Teaching them to observe all things whatsoever I have commanded you and lo I am with you alway even unto the end of the world Rape: Weapon of War and Mass Destruction SHABBIR TANKIWALA,2017-11-10 For those who care about human life those who have sympathy for those beleaguered people who are or have suffered extreme pain than please read this book read heart wrenching details of Brutal War Crimes Sexual Violence Rape of Men Who does it and why are such heinous Crimes committed What are the Motives of the Perpetrators those who commit such inhuman crimes Why is Domestic Violence so Brutal and what are the effects of domestic violence Can we find any solution to stop such horrendous heart rending crimes from happening If so than what are the solutions To get better Perspective and Insight to understand the history and reasons behind such ridiculously vicious crimes Please Read this Revolutionary Book A very Comprehensive and In depth Analysis of Savage War Crimes and Terrifying Domestic Violence *Affect, Emotion, and Rhetorical Persuasion in Mass Communication* Lei Zhang,Carlton Clark,2018-10-09 This volume examines the interplay between affect theory and rhetorical persuasion in mass communication The essays collected here draw connections between affect theory rhetorical studies mass communication theory cultural studies political science sociology and a host of other disciplines Contributions from a wide range of scholars feature theoretical overviews and critical perspectives on the movement commonly referred to as the affective turn as well as case studies Critical investigations of the rhetorical strategies behind the 2016 United States presidential election public health and antiterrorism mass media campaigns television commercials and the digital spread of fake news among other issues will prove to be both timely and of enduring value This book will be of use to advanced undergraduates graduate students and active researchers in communication rhetoric political science social psychology sociology and cultural studies Sex, Love, and Romance in the Mass Media
