Weaver And The Factory Maid:

Song and Democratic Culture in Britain Ian Watson, 2015-12-22 Originally published in 1983 Song has always been a natural way to record everyday experiences an expression of celebration commiseration complaint and protest This innovative book is a study of popular and working class song combining several approaches to the subject It is a history of working class song in Britain which concentrates not simply on the songs and the singers but attempts to locate such song in its cultural context and apply principles of literary criticism to this essentially oral medium It triggered controversy some critics castigated its Marxist approach others enthused that such unabashed partisanship amply reveals the outstanding characteristic of Watson's book The author discusses the way in which the popular song from Victorian times onwards has been forced by the entertainment industry out of its roots in popular culture to become a blander form of art with minimal critical potential The book ends by considering the possibilities for a continued flourishing of a genuine popular song culture in an electronic age It has become a standard title in bibliographies and curricula Much has changed since 1983 not least in music but this then innovative book still has a lot to say about popular song in its social and historical context

Writing Out the Notes Bob Hallett, 2010 A rambling trip through a colourful and melodic St John's childhood combined with a how not to do it yourself guide to the music business and a thoughtful and sometimes poignant look at the way a legendary Canadian band creates music all of these threads and many others are pulled together by writer and musician Bob Hallett Writing Out the Notes began as a series of essays Hallett wrote to explain his love of music but it turned into a humorous biography and a kind of extended solo on music and how his love for it transformed his life Although he is best known for his role in Great Big Sea Hallett has long had a parallel career as a writer And while some writers seek inspiration from travel history or romance for Hallett the place where he grew up provided all the inspiration he never needed

The Weaver and the Factory Maid Deborah Grabien, 2003-12-10 Haunted by the ghosts of characters memorialized in their songs a pair of lovers must uncover the truth behind the ghosts' deaths When Ringan Laine British folk musician becomes the owner of a restored eighteenth century cottage he discovers right away that the cottage and the ancient barn on Ringan's property are haunted Ringan and his longtime lover Penny researching the identity of their unwanted tenants learn that they were a young couple victims of a famous double murder in the year 1817 their story the subject of a song that is a staple in Ringan's repertoire And they must stage a full scale musical exorcism to lay the ghostly couple to rest The Weaver and the Factory Maid is only the first in what promises to be an exciting new mystery series features the ghosts of characters in folk ballads

Love among the Poets Pearl Chaozon Bauer, Erik Gray, 2024-04-16 British literature of the Victorian period has always been celebrated for the quality innovativeness and sheer profusion of its love poetry Every major Victorian poet produced notable poems about love This includes not only canonical figures such as Alfred Lord Tennyson Robert and Elizabeth Barrett Browning and Christina Rossetti but also lesser known poets whose works have only recently become widely recognized and studied such as Augusta

Webster and the many often anonymous working class poets whose verses filled the pages of popular periodicals Modern critics have claimed convincingly that love poetry is not just one strain of Victorian poetry among many it is arguably its representative even definitive mode This collection of essays reconsiders the Victorian poetry of love and just as importantly of intimacy a more inclusive term that comprehends not only romance but love for family for God for animals and for language itself Together the essays seek to define a poetics of intimacy that arose during the Victorian period and that continues today a set of poetic structures and strategies by which poets can represent and encode feelings of love There exist many studies of intimate relations especially marriage in Victorian novels But although poetry rivals the novel in the depth and diversity of its treatment of love marriage and intimacy that aspect of Victorian verse has remained underexamined Love among the Poets offers an expansive critical overview With its slate of distinguished contributors including scholars from the US Canada Britain and Australia the volume is a wide ranging account of this vital era of poetry and of its importance for the way we continue to write love and live today

Steeleye Span: 1970 - 1989 Darren Johnson, 2025-09-01 When Ashley Hutchings broke away from Fairport Convention in 1969 he recruited two musical duos to form Steeleye Span They didn't seem to agree about very much at all This fractious group imploded before their debut album was even released Undeterred two new musicians were enlisted and the band continued Then Hutchings himself resigned Rather than this being a disaster however it set in train what would become the band's most commercially successful period in the early 1970s This was an extraordinary time for folk rock but it was not to last The second half of the decade saw another change in line up disappointing album sales and a two year hiatus All was not lost though and the classic line up reconvened at the start of the 1980s Covering a two decade period this book examines every album from Hark The Village Wait in 1970 to Tempted And Tried in 1989 The fascinating history behind the traditional songs on these albums is examined in detail together with insights into how the band went about truly making them their own This is a meticulously researched celebration of the music of one of the UK's most important bands in the folk rock genre at the most crucial period in its history The author A former politician Darren spent many years writing about current affairs but after stepping away from politics he was able to devote time to his first love music His previous books for Sonicbond were *The Sweet In The 1970s* Suzi Quatro *In The 1970s* and Slade *In The 1970s* Following this glam rock trilogy he now turns his attention to folk rock A keen follower of both rock and folk he maintains a popular music blog Darren's Music Blog and has reviewed many albums and gigs over the past decade He lives in Hastings East Sussex
