A Wedding with Spirit Gertrud Mueller Nelson,Christopher Witt,2006-01-17 A WEDDING WITH SPIRIT has been written for the bride and groom who are searching for something more for their wedding not more as in bigger grander or more lavish but more as in more meaningful gracious and sacred Ritual and liturgy experts Gertrud Mueller Nelson and Christopher Witt have helped

hundreds of couples plan their ceremonies and in these pages they have distilled their years of experience into some basic principles. Instead of trying to orchestrate the happiest day of your life and suffering through catering nightmares, Nelson and Witt help the couple see the wedding as a moment in the larger context of their love. To create such a wedding, *A WEDDING WITH SPIRIT* offers advice in general principles such as location, participants, symbols, prayers, format, readings, blessings, and music. Sections include: A look at the history and meaning behind familiar wedding traditions; A walk through the ceremony including the rites of gathering, the readings, and the exchanging of vows and rings, and the reception; Practical advice for the invitations, the rehearsal, and the programs; Pre-marriage guidance including pertinent meditations and prayers to enable the bride and groom to begin their union with a firm footing. Three model weddings incorporating all the principles of *A WEDDING WITH SPIRIT*. *A WEDDING WITH SPIRIT* ensures that one's wedding day will be about the sacredness of a committed love between two people, about love's ability to create and nurture life, and about the faithfulness and hope that such a love gives witness to.

The Wedding Feast of the Lamb Emmanuel Falque, 2016-09-01 Emmanuel Falque's *The Wedding Feast of the Lamb* represents a turning point in his thought. Here Falque links philosophy and theology in an original fashion that allows us to see the full effect of theology's backlash against philosophy. By attending closely to the incarnation and the eucharist, Falque develops a new concept of the body and of love. By avoiding the common mistake of angelism, consciousness without body, Falque considers the depths to which our humanity reflects animality or body without consciousness. He shows the continued relevance of the question: How can this man give us his flesh to eat? John 6:52 especially to philosophy. We need to question the meaning of "this is my body" in a way that responds to the needs of our time. Vatican II. Because of the ways that *Hoc est corpus meum* has shaped our culture and our modernity, this is a problem both for religious belief and for culture.

A Wedding Is a Family Affair Brenda Hunter, Kristen Blair, 1995. Recognizing that a wedding can revive unresolved relational issues and create new tensions, this mother-daughter writing team shows future brides how they can minimize family tensions, maximize their wedding experience, and prepare spiritually for one of the most joyful and memorable days in a woman's life.
