Wedding Season:

Wedding Season Darcy Cosper, 2010-03-31 Seventeen weddings Six months Only the strong survive Joy Silverman and her boyfriend Gabriel Winslow seem perfect for each other Living together in New York City they have everything they want and everything in common most important that neither one wants to get married Ever But when Joy finds herself obligated to attend seventeen weddings in six months including those of her father mother younger brother and five of her closest girlfriends the couple is forced to take a new look at why they re so opposed to marriage when the rest of the world can t wait to walk down the aisle As the season heats up and the pressure mounts Joy must confront what it means and what it costs to be true to one s self A witty wicked comedy of manners in the satirical tradition of Jane Austen and Evelyn Waugh *Wedding Season* is an intelligent laugh out loud funny examination of friendship faith integrity and the ideas and institutions that bind us together shape our lives and define who we are If Jane Austen and Candace Bushnell were to meet for a long drink in a downtown bar the delightful result might be a contemporary comedy of manners with a decidedly old fashioned feel Darcy Cosper has given us just that a sweet and sharply funny concoction that will have bridesmaids everywhere nodding their heads in recognition Dani Shapiro author of *Family History* *Wonderful Wedding Season* is social comedy on a grand scale A hilarious and urbane primer on getting hitched or not in the twenty first century Gary Shteyngart author of *The Russian Debutante s Handbook* **The Wedding Season** Su Dharmapala, 2012-05-01 Meet Shani she s thirty two single and has a job to die for And she likes her life just the way it is thank you So why do her family and friends insist on trying to convince her that the only way to the perfect life is meeting the perfect man When Shani s horoscope miraculously reveals that now is the best time of her life for marriage her mother decides to take control As the Sri Lankan wedding season opens she turns a deaf ear to Shani s protests and arranges a parade of 101 potential grooms in the hope that her shamefully unmarried daughter will salvage the family honour by finally finding Mr Right But true life like true love can get very complicated Amidst a riot of hilarious dates with would be husbands Shani has to cope with a minor Machiavelli at work a house that is literally falling down around her ears and a neurotic mother with serious cultural baggage Worst of all her best friend who seems to have it all is sliding into depression and Shani seems powerless to help Through a flurry of curry cricket sarees and sumptuous ceremonies Shani comes to learn that love comes in many disguises and degrees of satisfaction and that life is a one shot game even if you do believe in reincarnation *Wedding Season* Darcy Cosper, 2004 Joy Silverman is happy in her single life until the arrival of seventeen invitations for weddings over six months forces her to reevaluate her attitude toward marriage a situation complicated by her boyfriend s proposal [The Wedding Season](#) Katy Birchall, 2022-05-03 Birchall manages to design a cheer squad of fully supportive chums and a sexy sensitive love interest in this witty relatable tale that doesn t fall prey to the trite rom com formula you may be expecting USA Today **FOUR WEDDINGS AND A FUNERAL** meets **THE WEDDING PARTY** Freya Scott is getting married Her wedding to Matthew her

long term boyfriend is the first of eight in her calendar this year and as someone who prides herself on being meticulously organized Freya is intent on making it the perfect day to remember But when Matthew calls things off hours before they walk down the aisle Freya s entire life plan goes up in smoke Humiliated and heartbroken the last thing she wants is to attend a summer of other peoples nuptials on her own Fortunately her friends have an idea together they devise a series of outrageous challenges for Freya to complete at each event designed to distract her from Matthew and what might have been From getting stuck in an old church bathroom and needing to be rescued by the vicar to making out with a barman at a French chateau Freya realizes that despite herself she might just be having fun By the time the final wedding arrives she will discover that the road to a happy ending sometimes has unexpected detours that I do is only the beginning and that perhaps her own love story isn t over just yet
