Whispers At Twilight:

Whispers at Twilight Damiana DhNAi, Whispers at Twilight G. Trenton,1982 *Butterfly Whispers in Twilight* Sandra-Lee Hutt,2020-03-03 Lovella is the great great grandmother to the Townes family generations It was during the 1800s that Lovella survived a vicious attack by a ferocious feline that wandered from a forest in Asia This attack occurred during Lovella s third pregnancy of the first male child born into this family This attack occurred in the backyard of her home while she was roasting pig a cat ran toward her from the woods and knocked her down to the ground Her screams were heard and a pack of wolf dogs chased the feline away The attack was so vicious it left permanent physical and mental scars on Lovella The birth of the child was full term although questioned by the doctor as to why the baby was born hissing like a cat and born with teeth and the eyes of a tiger Each time the baby boy named Timothy hungered for milk and food his cry sounded like a cat s meow As the years went by the child grew to speak well He would experience temper tantrums all continued past the age of two The family kept him close to home and never revealed to any family members or friends of the attack that Lovella experienced during her pregnancy His favorite play area was in the backyard as he was often seen scratching the bark on every tree in the yard To this day his name Timothy is embarked in a tree that still stands There would be nights when Timothy would awaken and go to the kitchen pulling fruits from the refrigerator leaving large bite marks in unpeeled fruits and vegetables Evaluations and testing from therapists psychologist and psychiatrist all revealed that little Timothy was born with a gene that carried a trait in the DNA that all males born into this family in future generations would carry this gene can never be removed
