## **Whitcombs War:**

*Special Operations in the American Revolution* Robert L. Tonsetic, 2013-07-19 This Revolutionary War history analyzes the Continental Army's extensive use of guerilla tactics the beginning of modern Special Ops When the American Revolution began the colonial troops had little hope of matching His Majesty's British and German legions Indeed Washington's army suffered defeat after defeat in the first few years But the Americans had a trump card a reservoir of tough self-reliant frontier fighters willing to contest the King's men with unconventional tactics While the British could seize the coastlines the interior belonged to these brave men In this book author and former US Army colonel Robert Tonsetic analyzes a number of special operations conducted during the Revolutionary War While Gen Washington endeavored to confront the Empire on conventional terms he relied on small units to keep the enemy off balance The fledgling Continental Navy and Marines no match for the British navy in sea battles focused on disrupting British commercial shipping in the Atlantic and Caribbean When the British and their Native American allies began to wage war on American settlements west of the Appalachians Washington relied on militias to conduct raids and long range strikes Throughout the war what we today call SpecOps were an integral part of American strategy and many of the lessons learned and tactics used at the time are still studied by modern day Special Operations forces As this book establishes the improvisation inherent in the American spirit proved itself well during the Revolution continuing to stand as an example for our future martial endeavors *A Good and Faithful Servant* David Whitcomb, 2022-04-19 God uses ordinary men and women to change the world In this inspiring biography of a 20th century hero of the faith you will gain an outstanding mentor for your Christian life Good and Faithful Servant is the story of Dr John Whitcomb a veteran of World War 2 who embarked on a relentless pursuit of biblical and scientific truth Even though Whitcomb was steeped in evolutionary philosophies while at Princeton he became a revered theologian who preached the literal biblical account of Creation What seemed like a long lost battle over origins and evolution was overturned as this man walked humbly yet boldly with God People will look back on this time in history and just as we think about greats like Martin Luther John Calvin John Wesley George Whitfield and others they will talk about Dr Whitcomb Ken Ham Dr Whitcomb is widely known as the co author of *The Genesis Flood* which was used by God to ignite the modern creationism movement This biography tells of his personal heartache his influences and his enduring faith in action Written by his son this book is filled with accurate accounts and many personal stories and photographs Families clergy and scholars alike will find life changing wisdom in the life story of this good and faithful servant who sought to defend the accuracy of God's Word in the face of widely accepted though ultimately flawed science *The Whitcomb Family in America* Charlotte Whitcomb, 1904 John Whetcombe ca 1588-1662 and his wife Frances were married in England They had eight or nine children the oldest ones born in England The family was living at Dorchester Massachusetts as early as 1633 They moved to Scituate in 1640 and to Lancaster in 1654 He died at Lancaster Massachusetts Descendants lived in Massachusetts Vermont Maine New York Ohio
