

White Collar Blues

Arthur A. Sloane

White Collar Blues:

White Collar Blues Mel Walker, 2014-06-02 **My Job, My Self** Al Gini, 2013-10-31 In *My Job My Self* Gini plumbs a wide range of statistics interviews with workers surveys from employers and employees and his own experiences and memories to explore why we work how our work affects us and what we will become as a nation of workers *My Job My Self* speaks to every employed person who has yet to understand the costs and challenges of a lifetime of labor *Monthly Labor Review* ,1971 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews **White Collar Blues** Charles C. Heckscher, 1995-03-10 Charles Heckscher interviewed over 250 middle managers from a wide array of firms including Honeywell General Motors Pitney Bowes Dow Chemical Figgie International Du Pont and AT T To his surprise he discovered that in most cases managers remained loyal to their firms even after substantial downsizing and in some instances brutal layoffs Yet this loyalty helped neither the managers who felt increasingly bewildered by changes that made no sense nor the companies which in trying to preserve loyalty found themselves increasingly avoiding harsh realities Heckscher points out that for more than half a century large corporations have struck a bargain with their managers near total lifetime security in exchange for near total subordination of individuals to the corporate will That bargain which Heckscher characterizes as paternalistic has provided comfort to managers and stability to bureaucratic organizations Most managers would still like to hold on to it But according to Heckscher the more successful companies are moving beyond the paternalistic exchange He found four organizations that have transformed the old ethic of loyalty into a professional ethic a new form of community built around a shared purpose and mission Heckscher suggests that this shift if it is to spread beyond a few hothouse examples must be supported by fundamental changes in corporate management government policies and social institutions changes as deep as those that accompanied the rise of corporate bureaucracy early in the century *White Collar Blues* offers companies guidelines for managing change and for making the new corporate culture benefit not only the corporation but also its workers The book also tells how individuals can prepare themselves for the new realities in the workplace and maximize their chances for success given the certainty of uncertainty

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Clearing the Air Robert D. Tollison, 1988 Collection of studies and essays that question the need for governmental regulation of smoking and second hand smoke *Personnel* Arthur A. Sloane, 1983 **The Changing Mental Health Scene** Ralph G. Hirschowitz, Bernard Levy, 1976 Blue Collar Blues Rosalyn McMillan, 1999-07-09 A brutal struggle for power in the manipulative automobile industry pits white collar against blue collar Life altering secrets pride ambition lust drive them to grab what they can from life before the upheaval promises to change their relationships forever **American Federationist** ,1972 The American Federationist ,1973 Includes separately paged Junior union section *Electronic Design* ,1997 **International Business** ,1995 *Daedalus* ,1978 *The Politics of Social Services* Jeffrey H. Galper, 1975 A critical analysis of the political roles and

impact of social services in the United States assessing their influence on the values structures and human behaviors underlying the present social order **Introduction to Sociology** Lewis A. Coser,1991 Man and Work in Society Eugene Louis Cass,Frederick G. Zimmer,1975 *Business Periodicals Index* ,2002 Intermedia ,1991 Economic Issues Campbell R. McConnell,1975 **Ward's Auto World** ,1982

Decoding **White Collar Blues**: Revealing the Captivating Potential of Verbal Expression
