White Stone:

Whitestone Jason D. Antos,2006 Whitestone was named after a large limestone boulder found in 1645 by the Dutch on the virtually flat seashore The Dutch recognized the great potential to establish the town as a major trading port due to its location by the East River They purchased the town from the Matinecock tribe who had been living on the fertile land for the price of one ax for every 50 acres The town prospered and the population grew In 1898 Whitestone became a part of New York City and the area experienced a real estate boom Beautiful estates and private homes sprung up overnight Celebrities from the golden age of cinema such as Mary Pickford Charlie Chaplin and Rudolph Valentino established homes in the area After becoming a major hub for the Long Island Railroad Whitestone became the home of the famous Whitestone Bridge which is regarded as the greatest suspension bridge ever built Through historic photographs Whitestone chronicles this town's transformation from a quiet Dutch settlement to a massive urban center

The North American Indian: The Yakima. The Klickitat. Salishan tribes of the interior. The Kutenai Edward S. Curtis,1911 A comprehensive and permanent record of all the important tribes of the United States and Alaska that still retain to a considerable degree their primitive customs and traditions The value of such a work in great measure will lie in the breadth of its treatment in its wealth of illustration and in the fact that it represents the result of personal study of a people who are rapidly losing the traces of their aboriginal character and who are destined ultimately to become assimilated with the superior race It has been the aim to picture all features of the Indian life and environment types of the young and the old with their habitations industries ceremonies games and everyday customs Though the treatment

accorded the Indians by those who lay claim to civilization and Christianity has in many cases been worse than criminal a rehearsal of these wrongs does not properly find a place here General introduction **A History of Agriculture and Prices in England** Arthur George Liddon Rogers,1902 **Annual Report of the State Geologist** Indiana.
