## Who Are We Now:

**Rewilding the Church** Steve Aisthorpe,2020-07-30 Following on from his bestselling *The Invisible Church* Steve Aisthorpe finds inspiration for his new book in the ecological concept of rewilding an approach to the environment that allows nature to break free from the dulling effects of strategic control and bring wonder back into our lives Applying this thinking to the Church Steve Aisthorpe imagines what might happen if we put less faith in our strategies and plans which inevitably depend on our own capabilities and resources and allow the Spirit to lead us beyond our capacity to imagine Rewilding the Church explores afresh the compelling invitation of Jesus to Follow me and the call to throw off everything that hinders and entangles It poses provocative questions and issues a call to contribute to the great rewilding of the Church and to be rewilded ourselves The same human instincts that have disrupted our natural environment have also constrained and domesticated the Church and Rewilding the Church commends a rediscovery of the adventure of faith Steve Aisthorpe is one the freshest and most original voices in the church today
