is due and he doesn't have the money. In exchange for a position of power in the Vatican he gave it to international financier Luciano Begliali whose goal is to enslave the world under the dictatorship of an engineered alien human hybrid. Michael's reluctance to renew the loan draws him into the world of intrigue surrounding Benny and eventually puts him at odds with his brother Gabe, Kim, and Chris, who struggle to hold their family together even as Chris works behind the scenes to thwart Benny's plans. Now only time will tell who, if anyone, can save the world from the encroaching evil. In this continuing tale of three families and cosmic conspiracies, good battles evil as the fate of the world is decided in one thunderous crack.

Fred Lodge's Diaries L/Cpl Frederick Thomas Lodge, 2019-06-06. The wartime diaries of Fred Lodge underscore his perilous passage through World War 2, including the Dieppe Raid and three years as a POW in Germany. Fred was a quiet, kind, considerate, and courageous young Canadian who trained in Canada as an infantry soldier, practiced his military skills in England, waded ashore at Pourville, France, on August 19th, 1942, survived intense German gunfire, saw his buddies killed, maimed, indeed slaughtered. Somehow he survived that awful day at Dieppe and was transported to Stalag VIII B and later to Stalag IIC in eastern Germany. As a POW, he was often hungry, bored, shamed, shackled, witnessed summary executions, and was forced to participate in a death march in early 1945. Through it all, Fred Lodge was courageous and true to his beliefs, no matter what obstacles, temptations, or mistreatment came his way. He always did his best and the right thing. Fred didn't hate Germans, although he had no respect for inhumane Nazi zealots. With the Russian Army fast approaching, Canadian POWs were evacuated westwards in January 1945, in bone-chilling cold and snow. Over four months, they were marched west with little food, no warm clothing, little shelter, and no reason to think they might survive. However, Fred and most of his fellow POWs did survive, and in late April 1945, they were liberated and returned to England. Somehow, Fred Lodge remained the same quiet, kind, considerate, and courageous man he was at the beginning. This story, as told by Fred Lodge himself, is a gripping tale. He passed through the hell of war and emerged whole. Could you do the same?
