A Primer on Unified Feel Theory Jerome Jacob Rappoport,2006-06-02 For each of us life s dilemma can be reduced to two positions 1 The universe always existed you exist for a fleeting moment and the universe continues on 2 The universe was created when you were born and it will cease to exist when you die Both of these perspectives are absolutely true and they pose for the inquirer a dichotomous enigma Religion or what is purported to be so should be involved with these two aspects but it s not Unified Feel Theory is not religion but a religious process to be experienced and struggled with by every inquiring mind singularly and alone Not until the quintessential self is known by its own inquiring mind can it be of any meaningful service to its self or to others Society has managed to intimidate and encapsulate each inner self to such a degree that only those aspects and qualities needed and wanted by the collective are nurtured and allowed to make their presence known and be seen as the outer self The Equilibrium Texts outfit and encourage an inward journey to seek rescue and bring forth one s own inner being
