Roleplaying Adventure System Joshua Petersen,2012-06 Roleplaying Adventure System Dreams Dreams or RAD for short is the first of a series of books designed to be one of the most versatile and capable roleplaying systems ever created Unlike most books which you read once and are done roleplaying books let you create your own stories with a group of friends creating a social and fun setting getting you more entertainment for your dollar than almost anything else and Dreams takes it farther than any before Created over 10 years Dreams was made by listening to complaints people had about existing RPGs and trying to fix them The system that

evolved from this attempt to make a better game is what you now hold in your hand Although is the first of the many books in the series to come this book alone can provide many adventures More than the run of the fair hack slash Dreams has handles complex rules for social manipulation to physics based weapon systems to rules built on giving you the most options condensed into the fewest pages possible and only a few core rules to learn Dreams is a system both elegant in it s simplicity and astounding in its potential complexity The system is two games in one A quick and easy Basic game is included for players who don t want to have to deal with a lot of rules and the much more robust Full game designed for the lovers of fine control and accuracy in mind Dreams is the next evolution in RPGs Ultimate Guide To Dungeon Master Loyd
