Spring Girl:

The Spring Girls Anna Todd, 2018-01-02 Four sisters desperately seeking the blueprints to life the modern day retelling of Louisa May Alcott's Little Women like only Anna Todd After Imagines could do The Spring Girls Meg Jo Beth and Amy are a force of nature on the New Orleans military base where they live As different as they are with their father on tour in Iraq and their mother hiding something their fears are very much the same Struggling to build lives they can be proud of and that will lift them out of their humble station in life one year will determine all that their futures can become The oldest Meg will be an officer's wife and enter military society like so many of the women she admires If her passion and her reputation don't derail her Beth the workhorse of the family is afraid to leave the house is afraid she'll never figure out who she really is Jo just wants out Wishing she could skip to graduation she dreams of a life in New York City and a career in journalism where she can impact the world Nothing can stop her not even love And Amy the youngest is watching all her sisters learning from how they handle themselves For better or worse With plenty of sass romance and drama The Spring Girls revisits Louisa May Alcott's classic Little Women and brings its themes of love war class adolescence and family into the language of the twenty-first century

Red Moon Mother and Daughter Miranda Gray, 2025-02-04 Adolescents and their mothers face a tapestry of developmental challenges reflecting the intricate nature of the menstrual cycle in today's world This book will help you to navigate the challenges and build a harmonious relationship and living environment Understand your own cycle and your teenager's cycle better Make things easier for both you and her Know when and what to do and what not to do Create a flexible and adaptive cyclic relationship The outcome is a simple and heartfelt desire to manage the complexities of the menstrual cycle in the modern environment with your teenager in the most harmonious way possible meeting her needs as well as your own If you seize the opportunity to explore who you are and to observe your Daughter as she expresses herself in the world then you can deepen your relationship with your Daughter with her cyclic femininity and with your own cyclic nature

Herd Register American Guernsey Cattle Club, 1925 *Heart Spring Mountain* Robin MacArthur, 2018-01-09 In this evocative first novel a young woman returns to her rural Vermont hometown in the wake of a devastating storm to search for her missing mother and unravel a powerful family secret It's August 2011 and Tropical Storm Irene has just wreaked havoc on Vermont flooding rivers and destroying homes One thousand miles away while tending bar in New Orleans Vale receives a call and is told that her mother Bonnie has disappeared Despite a years long estrangement from Bonnie Vale drops everything and returns home to look for her Though the hometown Vale comes back to is not the one she left eight years earlier she finds herself falling back into the lives of the family she thought she'd long since left behind As Vale begins her search the narrative opens up and pitches back and forth in time to follow three generations of women a farming widow a back to the land dreamer and an owl loving hermit as they seek love bear children and absorb losses All the while Vale's

search has her unwittingly careening toward a family origin secret more stunning than she ever imagined Written with a striking sense of place Heart Spring Mountain is an arresting novel about returning home finding hope in the dark and of the power of the land and the stories it harbors to connect and to heal It s also an absorbing exploration of the small fractures that can make families break and the lasting ties that bind them together
