

SOLAR SYSTEM READING LOG

How to use:

- Display the solar system posters in your classroom where students can view it easily.
- Write student names/numbers on the rocket ships. Place all the rockets with names/numbers at the sun poster.
- Students will take home the first reading log (Sun) and log their reading with their parents/guardians. Once they have completed the log, they will move their rocket to the next planet and begin the next reading log. The goal is to make it to the end of the solar system.

Tips:

- Use incentives to encourage students to want to progress through the solar system. This could be candy, stickers, Dojo points, etc. Use smaller rewards for each completion, and use a bigger prize for the end.
