## **The Amazing Bone:**

*The Amazing Bone* William Steig, 2013-07-30 *The Amazing Bone* is a 1976 New York Times Book Review Notable Children's Book of the Year and Outstanding Book of the Year a 1977 Caldecott Honor Book and a 1977 Boston Globe Horn Book Awards Honor Book for Picture Books William Steig incomparable master of the contemporary picture book has never been better than in *The Amazing Bone* It's a bright and beautiful spring day and Pearl a pig is dawdling on her way home from school Most unexpectedly she strikes up an acquaintance with a small bone You talk says Pearl In any language says the bone And I can imitate any sound there is Its former owner was a witch Pearl and the bone immediately take a liking to each other and before you know it she is on her way home with the bone in her purse left open so they can continue their conversation Won't her parents be surprised when she introduces her talking bone But before that happy moment comes the resourceful bone must deal with a band of highway robbers in Halloween masks and worse a fox who decides that Pearl will be his main course at dinner that night And deal it does with gambits droll and thrilling Made into a short animated film voiced by John Lithgow available on streaming and home video **The Amazing Bone** William Steig, 1976 On her way home from school Pearl finds an unusual bone that has unexpected powers **Amazing Bone** William Steig, 1976-01

[The Amazing Bone](#) William Steig, 1976 Tells the tale of Pearl a pig and a talking bone as they try to outwit a band of highway robbers and a hungry fox *The Amazing Bone*, by William Steig Jean Jamieson, 2002 **The Amazing Bone** William Steig, 1993-01 On her way home from school Pearl finds an unusual bone that has unexpected powers **The Amazing Bone** J VIDEO AMA., 1985 Animated *The Amazing Bone* Anne Troy, 1988 Describes suggested activities to accompany the reading of *Amazing Bone* *Words about Pictures* Perry Nodelman, 1990-08-01 A pioneering study of a unique narrative form *Words about Pictures* examines the special qualities of picture books books intended to educate or tell stories to young children Drawing from a number of aesthetic and literary sources Perry Nodelman explores the ways in which the interplay of the verbal and visual aspects of picture books conveys more narrative information and stimulation than either medium could achieve alone Moving from baby books alphabet books and word books to such well known children's picture books as Nancy Ekholm Burkert's *Snow White and the Seven Dwarfs* Gerald McDermott's *Arrow to the Sun* Maurice Sendak's *Where the Wild Things Are* and Chris Van Allsburg's *The Garden of Abdul Gasazi* Nodelman reveals how picture book narrative is affected by the exclusively visual information of picture book design and illustration as well as by the relationships between pictures and their complementary texts **The Poetics of Childhood** Roni Natov, 2014-06-03 *The Poetics of Childhood* investigates the sensibility of childhood and the ways writers try to recapture it It explores the earliest conceptions of innocence and the development of literature about children through contemporary times It encompasses the pastoral the dark pastoral the anti pastoral it addresses picture books fantasy and realism It looks with originality at the literature of childhood inclusive of children's literature and literature about childhood so that the child and adult can be seen

reflexively the child in the adult and the various stages of childhood as they are remembered and retained in adulthood It confronts issues of primal and socially constructed desire and the use of childhood to talk about desire It is a poetics a way of imagining the experience of childhood and explores childhood as a particularly fluid and porous time it also addresses issues of creativity This is an essential reference for teachers parents artists and writers *Any Child Can Read Better* Harvey S. Wiener, 1996-05-16 Reading however fundamental the task may seem to everyday life is a complex process that takes years to master Yet learning to read in the early stages is not an overwhelming problem for most children especially when their classroom learning is coupled with a nurturing home environment in which reading is cherished and pencil and paper are always available and fun to use In fact studies have shown that children score higher in reading if their parents support and encourage them at home Unfortunately though many parents want to involve themselves actively in their children's education very few know just what to do Now Dr Harvey S Wiener author of the classic *Any Child Can Write* provides an indispensable guide for parents who want to help their children enter the magic realm of words In *Any Child Can Read Better* Second Edition Dr Wiener offers practical advice on how to help children make their way through the maze of assignments and exercises related to classroom reading In this essential book parents learn how to be reading helpers without replacing or superseding the teacher by supporting a child's reading habits and sharing the pleasures of fiction poetry and prose Home learning parents also will find a wealth of information here Through comfortable conversation and enjoyable exercises that tap children's native abilities parents can help their child practice the critical thinking and reading skills that guarantee success in the classroom and beyond For example Dr Wiener explains how exercises such as prereading warm ups like creating word maps a visual scheme that represents words and ideas as shapes and connects them will allow youngsters to create a visual format and context before they begin reading He shows how pictures from a birthday party can be used to create patterns of meaning by arranging them chronologically to allow the party's story to emerge or how they might be arranged by order of importance a picture of Beth standing at the door waiting for her friends to arrive could be displayed first Beth blowing out the birthday cake placed toward the middle of the arrangement and the pictures of Beth opening her gifts especially the skates she's been begging for all year would surely go toward the end of the sequence Dr Wiener shows how these activities and many others such as writing games categorizing toys or clothes or favorite foods and reading journals will help children draw meaning out of written material This second edition includes a new chapter describing the benefits of encouraging children to keep a journal of their personal reactions to books the value of writing in the books they own underlining writing in the margins and making a personal index and a variety of reading activities to help children interact with writers and their books Dr Wiener has also expanded and updated his fascinating discussion of recommended books for children of all ages complete with plot summaries Written in simple accessible prose *Any Child Can Read Better* offers sensible advice for busy parents concerned with their children's education **The New York Times Guide to the**

**Best Children's Videos** Kids First!,1999-11 The only guide you ll need for choosing the best videos and CD ROMS for your family INCLUDES More than 1000 entries of kid tested and adult approved videos currently available Listings organized by age from infancy to adolescence as recommended by child development specialists A wide range of categories with special attention to gender and ethnicity Educatioinal Instructional Fairy Tales Family Literature and Myth Special Interest Foreign Language Holiday Music How To and Nature Review ratings in a clear easy to read format Evaluations by panels of adults and children Outstanding programs from independents and major studios Ordering information running times and suggested retail prices Evaluations of more than 100 CD ROMs 500 recommended feature films for the family and more *Harper's New Monthly Magazine* ,1880 *Once Upon a Time--* Carol Otis Hurst,1990 Bibliographies activities and background information on authors illustrators individual picture books and themes *The Amazing Bone and Other Stories* ,1989
