Software And Its Development

CO Houle

Software And Its Development:

Software and Its Development Joseph M. Fox,1982 This book is about software about the development of software and primarily about the development of large scale software This book is for all data processing professionals It deals with what will be the most important technology and tool of the next two decades software It is for the new programmer or user who knows an application and its intricate nuances and is frustrated by the jargon and the confusion of the software world It is for the non data processing executive who wished to gain an overview of the field The first part is readable by those not in the computer field and the whole of it for those doing research on software

Managing the Development of Software-Intensive Systems James McDonald,2010-02-08 Managing the Development of Software Intensive Systems provides both an introduction to project management for beginner software and hardware developers as well as unique advanced materials for experienced users This beneficial resource presents realistic case studies for planning and managing verification and validation for large software projects complex software and hardware systems as well as inspection results and testing metrics to monitor project status Industrial practitioners and students will learn ways to improve how they manage and develop their project management applications and techniques to establish large software applications and systems
