Reports of Cases Argued and Determined in the Supreme Judicial Court of the Commonwealth of Massachusetts Massachusetts. Supreme Judicial Court,1850 **Vernacular Voices** Gerard A. Hauser,2022-01-18 An award winning study of how formal and informal public discourse shapes opinions A foundational text of twenty first century rhetorical studies Vernacular Voices addresses the role of citizen voices in steering a democracy through an examination of the rhetoric of publics Gerard A Hauser maintains that the interaction between everyday and official discourse discloses how active members of a complex society discover and clarify their shared interests and engage in exchanges that shape their opinions on issues of common interest In the two decades since Vernacular Voices was first published much has changed in the aftermath of the 9 11 terrorist attacks US presidents have increasingly taken unilateral power to act the internet and new media have blossomed and globalization has raised challenges to the autonomy of nation states In a new preface Hauser shows how in an era of shared global crises we understand publics how public spheres form and function and the possibilities for vernacular expressions of public opinion lie at the core of lived democracy A foreword is provided by Phaedra C Pezzullo associate professor of communication at the University of Colorado Boulder **Journal of Social Science, Containing the Proceedings of the American Association** ,1907 *Reports of Cases Argued and Determined in the Court of the Queen's Bench, Manitoba* ,1915 Vols 1 15 contain reports of King s Bench cases only **The convict. 1847. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
